Correspondence.

OTTAWA, 13th Feb., 1891.

Oronhyatekha, M.D., Supreme Chief Ranger:

DEAR SIR AND BROTHER,—I am directed to inform you that, at the meeting of the High Standing Committee of the High Court of Ontario, held on the 11th inst., the following resolution, was unanimously agreed to:

"That this Committee has learned with much satisfaction that the High Chief Ranger had caused an invitation to be transmitted the Supreme Chief Ranger, whose wise counsel, courtesy and kindness render his presence always desirable and welcome; that we learn with much regret illness prevents Dr. Oronhyatekha being with us—illness caused by over-application in the discharge of the responsible duties of his office, and the consequent want of requisite rest; that, being convinced, the Order, in its own interest as also that of our esteemed brother, would not, if aware of the fact, allow this to continue, the Committee respectfully suggest to our Chief the advisability of at once arranging with the Executive Council for such vacation as is necessary to recuperate, earnestly hoping, on resuming the cares of his office, the health of the head of the Order will be fully re-established; and that the High Secretary intimate to the Supreme Chief Ranger the adoption of this resolution."

In carrying out my instructions, you know how thoroughly I accord with the sentiments expressed, and how I trust the wishes of the Committee will be more than realized.

Hoping you will have much needed rest, coming back to duty with renewed vigor to further the welfare of our beloved Order,

Believe me to be, faithfully yours,
JAMES B. HALKETT,
High Secretary.
