So, if you are graduating this year and have accepted career-oriented employment at a minimum annual salary of \$10,000, we have created special acceptance standards for you.

Perhaps you've thought of the American Express® Card as the one you'd like to carry some day. But the truth is that NOW may be the most important time for you to have its benefits.

Why you need the Card now  
The Card can help you take control of your finances as you move into your new life. In most

Apply right away - before you leave school - and take advantage of our special Graduating Student Criteria.

Look for the special "Take One" stands on bulletin boards...and take one. Or call this toll free number:
