I have to request that you will state
to His Honor The President, that all the Indian Jaws for
the ports above Kingston, as well as those to pay for the
some purchases of the Map-singa Indians, are ready to
leave this place for Kingston, in boats of Captain Buttery
under the charge of Mr Richard Savage, who has been
employed by the Superintendent, ^{and} Sir John Johnson as an
extra Conductor, to go in the place of Mr M. W. Conductor
for the department, who is sick

The House now sent Comptant all the Requisitions
for the Ports above, ^{Kingston} except a proportion of a very few articles

Wm. Stanton

Chief Clerk in the office of His Honor the President of Upper Canada
