Ottawa, February 20, 1912.

Sir,

I am sending you, under separate cover by registered mail, two copies each of the plans and specifications for the installation of a sewerage system in connection with the Kootenay Industrial School.

You will be good enough to obtain from Mr. Wood a price, bulk sum, for the full execution and completion in working order of all work shown on the plan and connected with the job in accordance with the specifications and other details which may be given later by yourself as inspector in charge. I have to ask you to be good enough to take personally on the ground with the contractor the measurements for the execution of this proposed work.

Your obedient servant,

Assistant Deputy and Secretary.
