DAILY CAPACITY
100 TONS

DAILY CAPACITY
65 TONS

DAILY CAPACITY
45 TONS

Situated in the famous Silka Spruce belt of British Columbia, our Mills find close to hand the finest pulp wood in the world and from it manufacture our well known brands of Sulphite Pulp:

SNOW-WHITE—Bleached Sulphite.

CRYSTAL GLACIER Easy Bleaching Sulphite

SWAN—Strong Sulphite

All of these Brands are packed in bales of 320 lbs. net—100% air dry with a measurement of approximately 60 cubic feet to the long ton.

YEARLY CAPACITY:

Sulphite Pulp Mills.....	70,000 tons Sulphite Pulp
Lumber Mills.....	50,000,000 feet Spruce and Fir
Shingle Mills.....	75,000,000 feet Red Cedar Shingles
Box Factory.....	35,000,000 feet Spruce and Hemlock boxes

We export direct from Saw Mills to Foreign markets and quote F. A. S. or C. I. F.
