

G. F. SNIDER.

was born in Earnestown, and when quite young came with his parents to Deseronto in 1869. For 30 years Mr. Snider conducted a jewellery store on Front St. A little more than two years ago he moved to Vancouver, B.C., where he has a successful business in the same line. For many years Mr. Snider was a member of the High School Board. His native modesty led him to refuse civic honors which were repeatedly urged upon him. Mr. Snider was a most reliable and useful member and official of the Methodist church, but it was as secretary-treasurer of the Sunday-school for over 30 years he will be long remembered by the many hundreds who have, during those years, passed through the school. He was a member of the choir ever since the church was built.
