

following memorandum, explanatory of their position with regard to the Society.

"Owing to the extreme financial needs of several of the Toronto churches, and the inability of the Home Missionary Society to give them aid—the matter having been referred to the Toronto District Association, it was resolved that the city churches make a special appeal for a generous offering for Home Missions, said offering to be distributed amongst the needy churches in the city; and credit be given for amount raised, by the Treasurer of the Home Missionary Society."

"Bond Street Church, \$93.20; Northern Church, \$80.80; Western Church, \$15; Parkdale Church, \$9; Dovercourt, \$5."
