Farm Help Shortage

In these times of severe handicap in getting things done on the farm, wouldn't you consider as most valuable any means that cut the time and labor cost of milking in two? Get a

(B-L-K) MILKER

Even in normal times, when help is easy to get and keep, dairy-men often figure the Burrell Milkers pay for themselves in eight

One man, with two two-cow machines, will milk 24 to 30 cows per hour, and, with care, will produce milk of certified grade in ordinary stables.

Write and tell us how many cows you have. Send a rough out-line of your stable. What power will you use? Then we can give you an estimate on the cost of an outfit to you. Hlustrated book
