

One Man Pulls Any Stump

You can carry, set up and operate this puller with ease—horses are unnecessary

Kirstin One-Man Stump Puller

This KIRSTIN One Man Stump Puller is in a class by itself. It is as superior as it is different. Just a steady back and forth motion on the lever gives tons of pull on the stump.

The secret of its great power is in double leverage. Made of high-grade steel, combining great strength, durability and light weight. Soft steel clutches grip and pull without wear on the cable. Clears over an acre from one anchor. Changes the speed while operating.

Thirty days' free trial, on your own land. Three years' guarantee, law or no law. Six months to pay, if you wish.

Get Big Free Book and Very Special Offer on One Man and Horse Power Pullers—all sizes.

LIFT YOUR CORNS OFF WITH FINGERS

Tells How to Loosen a Tender Corn or Callus so it Lifts Out Without Pain.

A noted Cincinnati chemist discovered a new ether compound and called it Freezone, and it now can be had in tiny bottles as hereshown for a few cents from any drug store.

You simply apply a few drops of Freezone upon a tender corn or painful callus and instantly the soreness disappears, then shortly you will find the corn or callus so loose that you can just lift it off with the fingers.

No pain, not a bit of soreness, either when applying Freezone or afterward, and it doesn't even irritate the skin.

Hard corns, soft corns, or corns between the toes, also toughened calluses, just shrivel up and lift off so easy. It is wonderful! Seems magical! It works like a charm! Your druggist has Freezone. Ask him!

Gossip.

A Famous Jersey Bull Imported.

Jersey breeders will be pleased to learn that one of the most noted breeding bulls of the Island of Jersey has recently been brought to this country and placed at the head of the Woodview Herd, owned by John Pringle, London, Ontario. There can be no doubt as to the merits of this bull as a sire, for importers have bid generously for his progeny on the Island knowing that in America they would meet with ready sale. The get of Rower, which is his name, have sold at a premium making very high averages, but if more proof of his sterling worth were needed, it can be stated that in 1914 his progeny won first on Jersey Island. They won second in 1916 and first again in 1917. This record has placed Rower at the head of a long list of famous breeding bulls in the homeland of the breed and Canada will surely profit by his immigration to this country. Rower belongs to the Fanny family, having for dam Gypsy's Fanny, and grandam, Monplaisir's Fanny. Breeders should not fail to visit Woodview Farm and see Rower at the head of a herd where he will surely establish a new record in a new country.

It might also be opportune at this time to add a brief description of the Woodview herd so readers can form some conception of what to expect from the use of Rower. At present the herd numbers around fifty head, including twenty imported females and two imported bulls. Oakland's Noble Eminent has been in service at Woodview for some time and a large percentage of the calves in the stables are from him. This bull is a grandson of Noble of Oakland, which sold at one of Cooper's sales for \$15,000. A few of the young things are by Noble's Owl, a twin son of Oakland's Noble Eminent and out of Paris Model, which gave three calves in eleven months and qualified at the same time in the R. O. P. A few of the cows are in calf to Noble's Hero, another grandson of Noble of Oakland. Noble's Hero was first and senior champion at London in 1916, and second in his class at both Toronto and London in 1917. In passing, too, we desire to mention Woodview Bright Prince, out of Lady Alice and sired by Viola's Bright Prince. Mr. Pringle paid \$500 for this young bull when he was only two days old, but he is coming up to expectations. His dam, Lady Alice of Woodview, was the first-prize aged cow at Toronto in 1914-15-16; she also qualified for the R. O. P. while on the show circuit. The sire of this young fellow, Viola's Bright Prince, is too well known to require comment. The majority of the milking cows are imported and most of them have enviable show-ring records, as well as being numbered in the R. O. P.

The Woodview motto is: "We show our work cows and work our show cows." Exhibition reports and R. O. P. records combined are ample proof that this motto is applied to an exceptional degree. Space will not permit of a detailed description of the breeding herd now assembled, but a few of the older ones may be enumerated in order to convey an impression of the standard adopted for the Woodview herd. Vixen of Woodview is one of the older matrons. She was first and grand champion at Toronto in 1915, as well as at London, and first again at Toronto in 1917. She is a daughter of King Lear, one of the great breeding bulls on the Island. She is now in calf to Noble's Hero. Lady Alice is another cow approaching nine years of age. She is giving 35 pounds of milk per day, and due to freshen about Sept. 1. Rower's Charm is a three-year-old daughter of Rower and her excellent quality and general worth largely influenced Mr. Pringle to select Rower as a herd bull. Rower's Charm was the first-prize two-year-old at the National Dairy Show, at Springfield, in 1916. She was also the first-prize three-year-old at Toronto and London in 1917, and grand champion at London. As a two-year-old she gave 38 pounds. Two other heifers which are much prized are Lady Aldan and Lady Aldan A., which are half-sisters. The former was imported in the spring of 1915 and the first year out, as a two-year-old, gave 7,200 pounds of milk in ten months, and won first prize at the Western Fair in a class with six other imported heifers. She is a daughter of the great Golden Fern's Noble, which sold for \$25,000. She is now in calf to Noble's Hero. Lady Aldan A. is a half-sister to Lady Aldan, both being from the same bull and both are in the R. O. P. Another

MANOR FARM HOLSTEINS

AS GOOD AS VICTORY BONDS. Bull Calves Ready for Service.

No. 1.—Born April 2nd, 1917.
Dam, Manor P. H. Vincent.....5 years.....22.87
Half Sister to Manor P. H. Flower.....30.59
Grandam Lady Vincent.....11 years.....29.57
(World's record when made)

No. 2.—Born May 13th, 1917.
Dam, Manor P. H. Tensen.....2 years.....14.22

HOLSTEINS

Present Offering—Only a few young bull calves. None of serviceable age.

M. H. HALEY, SPRINGFORD, ONTARIO

MAPLE SOIL STOCK FARM OF HOLSTEINS

I am offering a few choice heifers, sired by King Segis Pietertje, that have just been bred to Fenderne King May Payne, also some heifers and cows due to freshen all the way from February until April. All bred to Fenderne King May Payne; a few heifer calves sired by Fenderne King. Get some good ones.

H. C. HOLTBY, R. R. No. 1, GLANWORTH, ONTARIO

LOW BANKS HIGH-RECORD HOLSTEINS. Only one bull left of last season's entire crop of calves. He is a beauty—straight as a string. Dark colored. His dam, "Hester Pietje Netherland" record 30.14 lbs. butter in 7 days, and her first two daughters have each made over 19 lbs. butter in 7 days as junior two-year-olds. Remember—his sire is a son of Pontiac Korndyke, and his ten first daughters tested average 19.64 lbs. butter and 436 lbs. milk at an average age of 2 years and 17 days. He won't be here long. Write for pedigree and price.

K. M. DALGLEISH, KENMORE, ONTARIO
