THE WEEKLY TELEGRAM and its Premium "On The Look Out"

If you have not been a subscriber to **The Weekly Telegram**, many of your neighbors have, and they will tell you it is the best weekly west of the great lakes. The market reports are accurate and up-to-date. In this age of competition every farmer must have the fullest information possible on the price of grain, hogs and cattle. If he has access to the market reports of this paper he will know when to sell and what to ask. **The Telegram's** reports are never colored, but are always accurate, and every week give a true and impartial statement of the situation.

The special news features, the editorials and the sections devoted to women, makes **The Weekly Telegram** the best to be had in Canada. This includes the best dress patterns, especially drawn for **The Telegram** and sold only to **Telegram** readers at a nominal figure. Another feature which puts the **Telegram** in the very front rank of western weeklies is the **Comic Section in Colors**. No other weekly in Canada gives its readers this big feature every week in the year. The old and the young, in fact every member of the family, follow with increasing interest the doings and sayings of the humorous characters in our comic pages. We repeat, it's the greatest comic feature offered by any newspaper in the country—and **The Telegram** alone has the exclusive use of the Copyright in Western Canada.

THE PREMIUM—"On The Look Out" a masterpiece in fourteen colors, reproduced directly from the original painting by the color-type process and faithfully retaining all the tones, effects and shadings of the original. The reproduction is a natural subject, and tells the beautiful story of "Evangeline" waiting at the gate near the old home. The masterly shading and the harmony of color will appeal to all phases of humanity as only a picture from nature can. This magnificent reproduction is 16x20 inches, ready for framing. It will constitute an ornament on the wall of any home and is a real work of art.
