Did Not Think I Would Ever Be Able To Enjoy Another Meal, Until I Decided To Investigate Claims For "Fruit-a-tives"

W. F. ALLEN, ESQ.

Halifax, N. S. Nov. 22nd, 1913

"I feel that I would be doing 'Fruit-a-tives' a great injustice if I did not make known to you the wonderful results that I have obtained from its use. For the past eight years, I have been afflicted with Dyspepsia. I had given up all hopes of ever being able to enjoy another meal, when I chanced to see your advertisement in the papers, and as a last resort, I decided to investigate, and see if all you claimed for 'Fruit-a-tives' was true. Now, after having used six boxes, I find that your claims for 'Fruit-a-tives' are well founded. I am now in perfect health and can enjoy my meals as I formerly did, and I cannot praise 'Fruit-a-tives' too strongly." WELLS F. ALLEN.

## WEDDINGS.

BUNTAIN-BAILEY.

A very informal but pretty wedding took place at the home of Mr. and Mrs. Richard Bailey "Glenverne Farm" Harold, Ont., when about sixty of their immediate relatives assembled to witness the marriage of their youngest daughter, Eva Kathleen, to Daniel Newton Buntain of Prince Edward Island.

The bride's party took their place before a background of evergreens and flowers to the strains of Wagner's Bridal Chorus played by Miss Clara Heath, cousin of the bride.

The bridesmaid, Miss Beatrice Bailey, sister of the bride, was prettily attired in a suit of pink satin draped with pale orange crepe chiffon. She wore a beautiful necklace of pearls, the gift of the groom, and carried a shower bouquet of pink carnations.

The flower girls of Misses Florence and Irene wore white embroidery dresses and wide sashes and carried a dainty basket of bridal roses.

Mr. Erey Jackman of Wellman's Corners ably performed the duty of groomsmen.

The bride looked charming in a lovely dress of ivory duchess satin, trimmed with shadow lace and pearls, and carried a sheaf of white roses and carnations.

The groom's gift to the bride was a Mason & Risch piano, to the groomsmen a tie pin to the flower girls bracelets and to the organist a cameo ring.

After the ceremony, which was performed by the Rev. W. H. Clarke, dinner was served in the prettily decorated dining-room.

Several short speeches by the most prominent residents of the neighborhood, attesting to the high esteem in which the bride is held in the district, closed with a response by the groom, brought a very enjoyable evening to a close.

The happy couple left by the 2.30 train for Boston and the Maritime provinces, and after spending a few weeks they will take up their residence in Saskatchewan—News Argus.

### A Comparison.

There was a mighty difference between West Huntingdon on Saturday and Monday. At the former place there was an entire absence of drunkenness, while at the latter the place was full of boozers. Young men and mere boys were led to the necks. One man went home to his wife and family, if he had such, with his face laid open by a bottle in the hands of a boozing dispenser. The only redeeming feature we saw about it was that we saw no Orange men disgrace himself by mixing in the drunken orgy. The officers of the Orange Association should refuse to celebrate in any town or place where the boozing business will flourish because of the crowds brought together by the demonstration.—Tweed News.

Miss Bertha McKee of Stirling is spending a few days with her friend, Miss B. Tomson. Mr. and Mrs. Fred Steinberg spent Sunday at Mr. A. Lloyd's. Mr. E. Lloyd and family of Trenton called on friends in this locality on Sunday. A number from here attended the lawn social at the Baptist church, and they report a fine time.

## CREATOR'S BAND

Set Boston and New York Music Mad—Coming to Canadian National Exhibition. Giuseppe Creatore, who with his band comes to the Canadian National Exhibition for two concerts daily during the entire exhibition, is unquestionably the most interesting personality before the musical world today. He has set Boston and New York music mad. He is not only the most picturesque of conductors, but is, besides, a masterly leader of men who has his musicians under perfect control. To the spectators the irresistible impression is that they are performing involuntarily entirely at the will of their fiery, volcanic conductor.

## ACCIDENTS AT HAVELOCK

The twelve year old son of Mr. A. Delina Preneveel, met with a serious accident at the Park on Monday, by being kicked in the face by a colic horse. Concussion of the brain resulted and little hope is entertained for the boy's recovery. Mr. Lake of Norwood was severely shaken up by being thrown out of his buggy, when his horse became frightened. No bones were broken, however. Mrs. John Spinks of Blairton met with a fractured forearm, while engaged in stabling a horse, and a Bulgarian employed at the Ontario Rock Co.'s quarry had his eye injured seriously by a piece of stone hitting it.—Havelock Standard.

## PUBLIC LIBRARIES MEET

The meeting of the Belleville Institute of Public Libraries will be held this year in Deseronto on Tuesday and Wednesday, Aug. 4 and 5. This institute represents some 21 libraries, comprising those of the counties of Lennox and Addington, Hastings, Northumberland and Frontenac. The best available library workers will be present, and every effort will be made to provide a program of interest and value. The date of meeting will be announced later.

It is wise to prevent disorder. Many causes lead to disorders of the stomach and few are less than them. At the first manifestation that the stomach and liver are not performing their functions, a course of Parmelee's Vegetable Pills should be tried, and it will be found that the digestive organs will speedily resume healthy action. Laxatives and cathartics are so blended in these pills that no other preparation could be so effective as they.

## BROKE BOTH ARMS.

Yesterday afternoon, when returning from Oak Hill Lake to camp at Glen Ross, Miss Elliott, youngest daughter of Mr. B. Elliott, met with a serious accident. When near Mr. Joseph Frapp's place the horse stumbled, breaking the bit, the horse then running away, throwing the occupant of the rig out, and falling. Miss Elliott had the misfortune to break both her arms, between the elbows and wrist. Mr. Frapp brought her to town in his auto, where her injuries were attended to by Dr. Bissonette.—Stirling News Argus.

## Wolves Overrunning Renfrew Co.

That wolves are overrunning Renfrew county and destroying the farmers' sheep in that district is the word received by the Government at Ottawa, which is asked to take some steps by the offering of a bounty or by some other means to stop the depredations and exterminate the marauders. It is stated that during the month of May alone 75 sheep were destroyed in the county by the wolves, which are supposed to have wandered down from the vicinity of Algonquin Park. Large numbers of deer have also been destroyed in the same manner.

Farmers, it is said, have stopped raising sheep in the district as a result of the inroads of the wolves. They have not been bothered with them for thirty years, and their presence has only commenced to be noticed during the past three years. The present bounty is small, especially, it is stated, as the hide is reckoned by the Provincial Government.

### Dastardly Work.

An attempt to wreck Dr. Holdcroft's auto was made on Monday night at Spencer's hill, north of the village. A cedar log was laid across the road and the heavily loaded car crashed into the obstruction, breaking it in two, and narrowly escaping somersaulting the auto. Dr. Holdcroft was driving the car himself and upon trying to ascertain the perpetrators, discovered several boys running towards Mr. Frank Spinks' house. Other attempts to wreck autos have been made lately, it is said, and some action will probably be taken to punish the offenders. Had Dr. Holdcroft's car been a light one, a serious accident would have occurred, with probabilities of fatalities.—Havelock Standard.

## DIED WHILE DRIVING HIS MOTOR CAR

The Picton Gazette gives the following additional particulars of the death of Mr. Frank Story of Bloomfield. He was not killed by being thrown from his auto, as at first reported, but expired of heart failure while driving the car. Mrs. Chas. S. Clapp of this city is a sister.

On Tuesday evening last, Mr. Frank Story, of Bloomfield, expired very suddenly while driving his motor car on the Blouin field road near the residence of Mr. Edward Kelly. Mr. Story had been down to his farm with his motor car accompanied by his son, Sheldon, Master Ellwood Bowerman, son of John Bowerman of Bloomfield, and a nephew of Mrs. Peter Burr, a young lad named McPaul from Toronto.

While on his way returning to his home in Bloomfield, just as he was passing the residence of Mr. Ellwood Kelly, his son heard him give an exclamation of pain, and he then fell forward and lost control of the car. Mr. Story was thrown out of the car and continued on its course until it was stopped by running into a large elm tree in front of Mr. Kelly's residence.

The accident occurred about eight o'clock, and Mr. Kelly, who was a witness of the occurrence at once ran to Mr. Story's assistance, finding him unconscious, but still breathing slightly. He expired, however, before any help could arrive.

While Mr. Story received some few bruises in being thrown from the car, his death was due to heart failure. He had, it appears, been subject to these attacks for some time, past, and this was evidently a recurrence of his old trouble. Mr. Bowerman, who was with him, had his arm broken, but the other occupants of the car escaped with minor injuries.

Mr. Story was fifty years of age, was born in the township of Athol. He was the eldest son of the late Benjamin Story and was one of a family of six, four sisters and three brothers. The sisters are Mrs. A. Clapp and Mrs. C. Clapp Spencer, of Picton, Mrs. Frank Blakely, Cherry Valley, and Mrs. Charlie Clapp of Belleville, and one brother, Henry, of Los Angeles, California.

Mr. Story has always been a hard-working, energetic man—a man of very sociable disposition, who had hosts of friends and was universally liked by all who knew him.

For some years past he has been actively identified with the Bloomfield Methodist Church in its various enterprises. He was a member of the Trustee and Quarterly Boards and an active worker in the Sunday School. He was this year Deputy Reeve of the Township of Hallowell, a position that is left vacant by his death. He was also a member of the M. E. Church.

Early in life he was married to Miss Effie Burr, daughter of Peter Burr, Esq., of Bloomfield. The family consists of three children, Mrs. Wm. Ferrall of Chisholm, Miss Gladys at home, and one son, Sheldon.

The funeral services are being held at his residence in Bloomfield this (Thursday) afternoon, in interment in Glenwood with Masonic honors. His relatives and friends have the deepest sympathy of the community in this their sudden bereavement.
