

ONE HALF BATTALION TO BE QUARTERED IN BELLEVILLE

Picton Secures One Company For Coming Winter—Peterborough Gets One Half Battalion.

Belleville secures two companies or one half a battalion of soldiers for the winter, according to the following arrangement which was made yesterday by the Militia Council at Ottawa for the quartering of troops. Third division—One battalion, old Ottawa Ladies' College and MacKenzie buildings; 400 engineers, Ottawa Exhibition buildings; three battalions Kingston drill hall; two companies each at Peterboro and Belleville drill halls, and one company each at Lindsay, Cobourg, Picton and Napanee.

This means that this city will have at least 550 men stationed here for perhaps six months. Picton will accommodate from 300 to 475 men.

The two companies that will be housed here will be the two of the 80th Battalion now in process of organization at Barriefield.

Belleville's accommodations will be more than ample for the half battalion. Last spring the canning factory for some time housed the whole of the 39th Battalion, but later as warm weather came on, half was transferred to Zwick's Island. The canning factory is all ready to receive the troops, and it is expected that it will not be long before they are here, as tenting on Barriefield is rather chilly.

The disposition of the other troops in Ontario will be as follows—

First division—One battery in drill hall at Guelph; one battalion distributed in drill halls at Galt, Woodstock, Stratford and Chatham; one battalion St. Thomas factory building; one pioneer battalion London fair buildings.

Second division—Two battalions old General Hospital, Toronto; one battalion Hamilton drill hall; half battalion Barrie drill hall; half battalion Oshawa drill hall; three battalions and three batteries Toronto Exhibition buildings; one company Collingwood; one at Orillia and one-half battalion at Brantford.

Former Resident Has Passed Away

An old and faithful servant of the Grand Trunk Railway passed away yesterday in Montreal in the person of W. G. Happer. He entered the employ of the G.T.R. as call boy in the despatcher's office, Bay Street, Toronto, about 1860. He held responsible positions as train despatcher later in life under superintendents W. G. Spicer and James Stevenson. In later years he filled the position of Pullman Conductor out of Montreal. He was born in Toronto and resided in Belleville about seven years, and went from here to Montreal in 1905. He had suffered much for the past nine months from stomach trouble.

He leaves a wife (nee Miss Lavonia Hunter of Belleville) and one sister, residing in Toronto.

The late Mr. Happer was very much respected with all the employees in the train services.

The funeral will take place Thursday at two o'clock from the home of his brother-in-law, John Hunter, 316 Foster Avenue.

Fire in Roof of Nicholson's Cottage

Fire last evening about 8.30 o'clock was discovered in the stone house, known as "Nicholson's Cottage," Holloway street. The blaze was at that time in the roof. No one was at home last evening and how the blaze originated is unknown. Mr. Bert Pulker is the tenant of the house.

The damage by fire was fairly heavy while the furniture suffered severely from water and smoke.

Mr. Pulker was engaged on duty for the Dominion Express at the C. P. R. station until ten-thirty last evening. By that time the blaze had been extinguished. He had \$200 insurance and estimates his loss at about three times that amount. Yesterday was the first time one of the chimneys had been used and around this chimney the fire had burned most. It is surmised that it was defective.

Mrs. Nicholson owns the residence.

Died at Ripe Old Age

David H. Sager of Ameliasburg passed away on Monday, Sept. 27th at the age of 84 years. He was a lifetime resident of the township. In religion he was a Methodist. He leaves his widow, and five children, Charles and Heber of Ameliasburg; Mrs. Philip Smonds of Hillier; Mrs. Ferris Wood and Mrs. Wm. Reddick of Ameliasburg.

THE ADDRESS

Victoria Ave. Baptist Church, Belleville, Ont., Sept. 27, 1915

Dear Brother Hess—

Emerson has said, "A friend may well be reckoned the masterpiece of nature," and Aristotle wrote, "A true friend is one soul in two bodies." The fact is that many men in many ages have tried to place on record their belief that life's greatest boon is not wealth or power, or achievement, but the love of and fellowship with, "kindred minds." John Fawcett, the sturdy Yorkshire Baptist did not exaggerate the joy of such Christian friendship when he said, "It is like to heaven above." We know that in your capacity of General Secretary of the Y.M.C.A. you have made many tried and true friends in Belleville during your nine years' residence here. But we venture to hope that in your own church you have experienced real and abiding fellowship in that highest of all places; namely, "The Communion of saints," and the hallowed joy of Christian worship in the church in all its departments.

As chairman of the Missionary Board of this church, and as associate superintendent of the Sunday school, we have found you to be thorough in your service, wholehearted and loyal, at all times. Your advice and co-operation in all the work of our church has been given us at all times, gladly and freely, and your messages and testimonies, from time to time, and have always rung true to Jesus Christ, and to the power of His salvation.

We associate, in all this sincere appreciation, Mrs. Hess and your daughter Mary. We deeply regret the circumstance of your removal from our midst, for we shall miss you and your family very keenly. But we know that you are following the pillar of cloud; and that you will render the selfsame service in Quebec City, and the little Baptist church down there that you have always rendered in this church.

Death Result of Foul Play

Peterboro, Sept. 28.—The death of Lillian May Lindsay, aged 14, took place at the residence of her father, Stanford Lindsay, Centre Dummer, on September 17, under such suspicious circumstances that it was the subject of a coroner's inquest, held by Coroner Kindred, of Hawesock.

The medical evidence as to the condition of the girl was to the effect that death was due to the result of a criminal operation. The jury rendered a verdict that the girl's death was caused by foul play, and recommended further investigation to fix the guilt. Inspector Rogers is working on the case.

Volunteers For Barriefield

Captain Bleeker this morning escorted to the station seven recruits for Barriefield, who had enlisted at the local recruiting office in the armourees. They were

E. Tunnely, Madoc
Herbert Smith, England
R. Simonds, England
Albert Lawrence, England
Isaac Lee
Harry S. Aldons, Sidney
J. M. Carl, Stirling.

Smoker for Captain Ponton

Last night in the Sergeants' Mess at the Armouries, the 15th Regiment band for old time's sake, tendered a smoker in honor of Captain R. D. Ponton. Those present included the members of the band, the recruiting staff, and Colonel Ponton, besides the guest of the evening. Songs were sung and a general glad time was spent. Captain Ponton spoke to his old comrades with much feeling as his association with the Bugle Band as a boy and hence with all the musicians in connection with the regiment had been close. Col. W. N. Ponton also delivered an address.

He Felt Like a Different Man

That's Why N. D. Gillis Expresses His Thanks to Dodd's Kidney Pills.

He Was Sick all over, but Found New Health When Dodd's Kidney Pills Cured His Kidneys.

Grand Mrs. South, Cape Breton, N. S. Sept. 27th—Special.—Neil D. Gillis, well known and highly respected here, states that he wishes to express his thanks to Dodd's Kidney Pills. And he gives a reason. "Last summer I took sick," Mr. Gillis states, "I began to lose strength and had palpitation of the heart with shortness of breath and after a couple of weeks my back began to pain me. It got so bad I could not rest, could hardly walk the floor."

"I was depressed and low spirited and had pressure or sharp pain on the top of my head. I was in bad shape indeed when I started to use Dodd's Kidney Pills. But I got quick relief. After using one box I felt a different man and after taking three boxes I had no more trouble. I can now do my day's work as well as ever."

Dodd's Kidney Pills cure the Kidneys. Cured Kidneys mean that all impurities are strained out of the blood and new health all over the body. That's why Dodd's Kidney Pills made Mr. Gillis feel like a different man.

Porcupine Killed Near W. Moira St.

In Belleville booming a wild game preserve! Last evening a party of boys discovered porcupine near West Moira St. and soon had it where the British had the Germans in Saturday's battle. This formidable and "savage" monster is quite often found in rural settlements but seldom strays so far amid the busy haunts of men as did the unfortunate individual that ventured into Murney ward. We are informed that black squirrels and grey squirrels have quite frequently been seen of late in that part of the city.

Laid to Rest

All that was mortal of the late Mrs. Almada Dufoc, widow of the late William Dufoc, was laid to rest yesterday in Belleville cemetery. The Rev. J. N. Clarry and Rev. A. Campbell conducted an impressive service at the residence of Mr. John W. Butterfield. There were many present to pay their last tribute of respect and numerous offerings of flowers were made to her memory. The bearers were Messrs. J. A. Roblin, W. A. Ketcheson, T. E. Ketcheson, Geo. Bell, Chas. Farley and Tom Ketcheson.

Miller's Worm Powders never fail

They immediately attack the worms and expel them from the system. They are complete in themselves, not only as a worm destroyer, but as a highly beneficial medicine for children, correcting weak digestion and restoring the debilitated system to healthiness without which the growth of the child will be retarded and its constitution weakened.

Charge Theft of Fowl

William Lucas was brought to the police station yesterday on a charge of stealing fowl. The case was enlarged until Thursday and Lucas was admitted to bail.

Died

HAPPER—in Montreal, on Monday September 27, 1915, W. G. Happer, formerly train despatcher in Toronto, Kingston, and Belleville and later Pullman Conductor.

Military Notes

Lieut. Col. Ketcheson, officer commanding the 80th Battalion, has been invited to go to Tweed on September 30th, where the people are going to give the battalion the price of a field kitchen. Lieut. Col. Munro is sending the Pipers' Band of the 8th C.M.R. to Tweed with Lieut. Col. Ketcheson and twenty-five men and officers of the 80th will go along, and all have been assured a good time. It is understood that about \$1,200 has been raised for the 80th by its military friends in and around Tweed.

Friday the 80th Battalion received twenty-five recruits from Ottawa, eight from Petawawa, one from Peterboro and one from Kingston. The Battalion also received ten from Belleville six from Picton, seven from Fort Hope and five more late in the evening from Ottawa.

Bombardier C. A. W. Thompson, formerly of the Belleville police force is in town today.

Lieut. Frank L. Smith, of the Provisional School of Infantry was in town on Sunday.

Messrs. Holland, A. C. Burton, and Ed. F. Whittle left this morning for Barriefield to join the 80th Batt. as recruits of the 49th.

Harry Aldons and Isaac Lee, the two Sidney recruits of the 15th Regt. who left today for Barriefield, were inspired to rally to the colors by Capt. R. D. Ponton's stirring address at Queen Mary School on Friday evening. So they took Capt. Dr. MacColl and Lieut. Harry L. Wallace.

Corporal Chas. M. Wallace, Corp. H. Garrison, Private Cyril McBride, and Private Walter Badgley left yesterday for Barriefield. They were yesterday sworn in to the Army Service Corps. This morning they left Barriefield for Niagara to join for a short time the divisional supply column Messrs. Wallace, McBride and Badgley are Belleville boys. Capt. Welsh is in charge of this column.

Corporal C. M. Wallace is the third member of the family of Mr. and Mrs. Robert Wallace to go on active service. Lieut. Ernie Wallace is at the front, while his brother Fred is with the artillery in France. Another brother Lieut. Harry L. Wallace is one of the recruiting officers here.

Capt. R. D. Ponton has a heavy week's work ahead of him as he will be speaking in a number of places for the next five or six days. He and Captain Bleeker will be in charge of the local central recruiting depot which is about to be established here. Captain Ponton will do the publicity work of the campaign for recruits. Lieut. Wallace, Lieut. Faulkner, and Sergeant Douch will be stationed at the recruiting headquarters.

The recruiting tent on the armouries lawn was taken down today and the office moved into the armouries. The tent has done good service during the past season.
