Young Ladies Play Basket Ball

A very interesting and exciting game of basket ball was played in rink on Wednesday evening between two teams of Waterdown's fair young damsels, the score at the finish standing 7 to 7. The opposing teams lining up as follows:

N. Metzger	M. Featherston
V. Nicholson	L. Richards
V. Willis	G. Mann
D. Wilkinson	A. Spera
B. Robinson	R. Henry

People who attend the basket ball game last Saturday evening were treated to a reproduction of the Duke of Wellington's Life Guards memorable charge at the battle of Waterloo. Two of the patrons, who we will call for short Ellis and Tivy, whose feathers became ruffled at some remarks made by the visiting team, began their charge across the floor of Ballroom, but in this case fingers were used instead of bayonets. Had it not been for the presence of mind of Capt. Burns in intercepting their ferocious charge we might be called upon to chronicle a sad catastrophe. However everything was satisfactory explained and all went merrily as a wedding bell. People are now asking the question "What caused all the international feud which happily ended without bloodshed."
