REFUSE TO TAKE OATH

Orange Free Staters Still Obstinate

Will Acknowledge the King as Their Sovereign But Decline to Go Farther.

Special to the Daily Nugget. Cape Town, July 11. — Difficulties have arisen in the Orange River Col-

ony regarding the oath of allegiance required of field cornets. Officials of the late Free State government refuse to sign the oath though few object to signing a document acknowledging the king as their sovereign.

Hustling Yankees

Special to the Daily Nugget. Johannesburg, July 11.—The British Traders' Commission visiting at Johannesburg are surprised at the amount of business in steel building but comment upon the indifference of British firms. Americans are securing immense orders.

Still Improving

Special to the Daily Nugget. London, July 11.—The king's condition is very satisfactory. His wound is healing nicely and all bulletins confirm previous reports that he is steadily improving.

Charlton Dismissed

Thos. Charlton, the Eldorado layman who was tried yesterday afternoon on the charge of fraud preferred by Tony Tyrrell and Baptiste Serrofino, was discharged by Magistrate Wroughton this morning, there not being sufficient evidence to warrant holding him over to the higher court.

The Nugget's facilities for turning out first-class job work cannot be excelled this side of San Francisco.

Juvenile Party

Wednesday evening from 6 to 9 o'clock Mrs. Dr. J. N. E. Browne entertained a score or more children at her home in honor of the sixth anniversary of Master Jimmie, the second son of Governor J. H. Ross.

Taking a Vacation

In order to escape the throng that has kept him busy almost night and day ever since his return and to take
