WORK OF THE NAVY LEAGUE.

The Kentville Navy League branch is now well organized and will be heard from at different times. It is important that we recognize the protection that we have given us and that we do something for our blue jackets in recognition of same.

The Navy League of Canada has promised to pay the Navy League of England \$120,000 yearly or \$10,000 per month. Mr. Strong, Secty. of the League at Halifax has a letter expressing thanks from the Duke of Buccleuch for Canada's contribution. The money will be used for relieving distress among the suffering and wounded of the Navy and merchant seaman and their dependents, Kings County people cannot serve the Empire better than by contributing to such a worthy cause. You will have an opportunity to help the Navy June 11th. Watch for further announcements.

WOLFVILLE.

Mr. and Mrs. L. K. Payzant of Dartmouth have been at Wolfville visiting with Mrs. C. S. Barss, and closing exercises. Their daughter Claire is a student at the Seminary.

The Boy Scouts Band played out on the College grounds on Saturday evening.

Mrs. Edward Spicer of Parrsboro is here attending the closing. Her daughter graduates from Acadia Seminary this year and will enter Acadia University.

Mrs. Edward Mosher of Kentville is a guest of Mrs. E. S. Mason.

CLOSING AT ACADIA.

Beautiful weather and magnificent scenery has greeted every visitor to Acadia Commencement exercises. Never before had nature put on such a dress as at present. While the orchards in the vicinity are not in full bloom the pure white of the Gravenstein and the tents of the cherry, peach and other early fruit blossoms are shown amid the pink of the bursting buds of the later blossoms.

Such scenery as we now have in our county naturally attracts hosts of visitors and Sunday and the days since, numerous autos and other conveyances have been hastening over our streets in all directions, to view the country in its dress of beauty. Everything was so fresh and pretty that many were worshippers of nature on Sunday, rather than attend the Baccalaureate services.
