Local Notes

Mr. Anson Hill of Toronto is visiting Mr. and Mrs. Stone, Church St.

A number of young Athenians spent Labor Day at Smith's Falls.

Mr. A. James removed his family from Brockville to Toronto last week.

Mr. Charles Green of the Reporter staff is holidaying this week with friends at Gananoque.

The high, public and model schools reopened on Tuesday with a large attendance of pupils.

Miss Flossy Chatham of Toronto is visiting friends in Athens, the guest of Mr. and Mrs. Jos. Thompson.

Mrs. McCrea of Brockville was last week the guest of her sister, Mrs. S. A. Taplin.

Mr. and Mrs. A. J. Slack have returned to Athens from Charleston and resumed occupancy of their home on Church street.

Mrs. P. Y. Merrick and son, Arthur, returned to Athens on Saturday after a visit of several weeks with friends in Ottawa.

A week ago, Mr. J. B. Saunders was seriously ill, but we now note with pleasure that he is again able to drive to the village.

Miss Katie Kavanaugh left Athens this week for Ottawa where she enters upon a course of training for the profession of nursing.

Miss Ella Judge, Har'lem, a graduate of the A. H. S., visited old friends in Athens last week, the guest of Mrs. M. Barber, Reid street.

Mr. and Mrs. F. M. Kelly have returned to their home in Pembroke after a visit of two months at the home of Mr. and Mrs. Amassa W. Kelly.

Miss Ethel Blanchard, who has spent the last two years as assistant at the mission station at Port Simpson, B. C., has returned to the home of her parents, Mr. and Mrs. Amos Blanchard, Main street.

Daybreak of Saturday last was ushered in with a great fusillade of shot-guns at Wilts Lake. Our local hunters did well, one bagging six black ducks in the morning and another making a score of eleven for the day, and others a fair average.

On Sunday evening last, in Christ church, Miss Garrett of Ottawa sang during the offertory "Thy Will be Done." The solo was admirably suited to Miss Garrett's rich contralto voice, and the congregation listened to a musical selection of high order.

The finest bicycle lamp we have yet seen was exhibited on Saturday evening by Mr. A. J. Slack. Acetylene gas is the illuminant, and a peculiar feature about the lamp is that the apparatus for storing the carbide is precisely the same as that invented and in use by Mr. H. W. Kincaid in his store.

Village Council.

The municipal council of Athens met in regular monthly session on Monday evening, 3rd inst. All the members present, excepting Mr. Earl. After reading and adopting the minutes of last meeting, a by-law was introduced and put through its several readings to levy and collect rates for sundry purposes for A. D. 1900.

The amounts required for the year are: Village purposes, \$1,000; county rate, \$244.54; Athens share of B. W. & S. S. M. railway debenture debt, \$361.50; Athens share of H. S. debenture debt, \$96.00; village proportion for maintenance of high school, \$830; amount required from village and part of township included in P. S. district, \$1,700. The council then adjourned until call of reeve,
B. LOVERIN, Village Clerk.

A REIGN OF LAWLESSNESS.

New York city last week gave to the country an example of race riots unsurpassed by anything that has taken place in any of the southern states. Like the recent riot in New Orleans, it was caused by the shooting of a police officer by a negro who was resisting arrest. The quarter of the city where the crime took place, the west side, has a large negro population, interspersed with sections of foreigners of almost all kinds, together with great numbers of native born Americans. These, seemingly with unanimous purpose, turned upon their unfortunate colored neighbors with a ferocity that missed great fatality only through accident. The police, if not directly chargeable with inciting and abetting the riot, were at least criminally indifferent, while there are reports of instances in which they actually took part in unprovoked assaults upon the negroes. Race violence is fast becoming a question that knows no sectional boundaries, and lawlessness over questions of color and religion is increasing alarmingly in parts of the country. The thoughtful observer can hardly fail to note that results like these are naturally to be expected from the trend that has been given to public affairs for years past. Rotten city governments, the legalized outlawry of the saloon, open propandas of vice—all these have united to create, not only in our great centres of population, but even in the small cities and towns, masses of people who in their instincts and education, are debased and brutal and lawless. It makes very little difference where these people were born, or who their ancestors were, the educational influences with which our political system surrounds them prepares them for just such outbreaks as that seen in New Orleans, as the recent riot in New York, or as the religious riots that have of late disgraced Ohio.—The New Voice.

Mr. F. J. Merrick, a graduate of the Reporter office, late of the Brockville Times, is now employed in the office of the St. Lawrence News, Trois-Rivières.

The Anglican harvest dinner, held on Wednesday last, was, as usual, a very pleasant affair and was largely attended. The dinner and tea were well managed by the ladies, who had provided in abundance all things necessary for a rich repast. The addresses were of a patriotic character and were greatly enjoyed.

Association Football.

In connection with the annual picnic of Bethel church, the Mohawks of South Augusta and the Bohemians of Glen Buell played a closely contested game of association football. When the time limit expired neither side had scored a goal. This result is very creditable to the Bohemians, who have been organized only a short time and particularly so when it is considered that three of their best players were unable to take part in the match. The Mohawks, who are old players, will hardly relish being tied by a team of inexperienced amateurs; but the natural prowess of the Glen kickers had become known to them before the match and it is whispered, that two of their players would look more at home on a Brockville team. Their preparations to make a likely victory doubly sure were defeated by the following members of the Glen Buell club:

IN MEMORIAM.

TUPPER LAKE, N. Y., Aug. 27, '00.
In loving memory of Merritt Victor Shinnick, only son of Mr. and Mrs. Thos. A. Shinnick, who died on August 25th.

God has taken home our darling
And our heart received a thrill,
For he's left a vacant place
That no earthly hope can fill.

He'd been with us but six months,
And it hardly seems a week
When the angels came from heaven
Our darling for to seek.

And they found him well attended
With the earthly sickness bore,
And they said, "Come, Merritt, darling,
Thou shalt suffer never more."

Like an arrow, from his body
His spirit to heaven fled—
O, how dreadful was the moment
When we found our babe was dead!

All the light and rays of sunshine
Quickly left our happy home,
When we found our precious darling
Left us sorrow and alone.

God had need of one more flower
In his garden up above,
So he called our darling Merritt
To his home of light and love.
