

A Bank Account For Your Wife

More and more, are the wives of today running their homes on a business basis—systematically and efficiently. Many wives have a monthly allowance for household expenses. This, they deposit in a Savings Account in The Merchants Bank—settle bills by cheque—and thus have an accurate record of bills paid. Such a business-like method also gives a woman the feeling of happy independence in having a bank account of her own.

The annual tournament of the Nova Scotia Guides' Association is fully reported and illustrated in two articles. The sportsmen's departments, fishing, guns, conservation and kennel are up to their usual high standard. In addition to these interesting stories and departments, A. **Just in Time
To Save Lives**

THE visitor was ushered into the little living-room. Through a back window one glimpsed three children busy over mud pies. The last time the visitor had seen the young mother and her husband had been at the Muskoka Free Hospital for Consumptives. Some months previous to that both had developed tuberculosis. Future health—life, indeed—depended on prompt measures. Yet, if the husband stopped earning, how could they live. Their despair had been tragic. In just such cases the "Muskoka Free" fulfils its mission. Husband and wife were sent there and given every care. Grandmother, with financial help from the Samaritan Club, kept the children. To-day, they are home again, cured. "We went just in time," said the young wife, gratefully, a tender light in her eyes as she glanced at the little mud-pie cooks. Contributions may be sent to Sir William Gage, 84 Spadina Avenue, Toronto, or to Geo. A. Reid, Treasurer, 223 College Street, Toronto.
