## MORE THAN 30,000 CANADIANS

Have Returned From the United States During the Past Seven Months.

OTTAWA, Nov. 21.—During the past twelve months 134,189 immigrants have entered Canada which is an increase of six per cent. over the previous twelve months when 126,744 arrived. During the seven months ended October 31, 1924, 30,966 Canadians returned to this country from the United States, according to statistics issued here yesterday, by the Immigration Department.

Of the Canadians who have come home in the past seven months 25,985 were Canadian born citizens, 3,026 were British subjects who had acquired Canadian domicile, and 242 were naturalized Canadian citizens. Since last April the number returning each month has varied three to five thousand. July was the month which saw the largest number of Canadians coming home when there were 5,127, and October the smallest figure for any of the seven months.

## NEW HOCKEY CLUB TO BE ORGANIZED IN KENTVILLE

KENTVILLE, Nov. 25.—Kentville will have a new hockey club. This was definitely decided on at an enthusiastic meeting held at the Kentville arena last evening. It will be known as the Kentville Amateur Hockey Club, and will immediately apply for admittance to the Maritime Amateur Hockey Association. Owing to the fact that all of the officers of the K. A. A. have been on the black list, along with the members of last season's baseball team, it was felt that a new start would be made. G. W. Lyons acted as chairman, and the following officers were elected:

Honorary President—Herbert Oyer.  
 President—H. O. Bishop.  
 Vice President—G. W. Lyons.  
 Secretary—Treasurer—S. Smith.  
 Executive—Harold Symons; W. S. Prince; Harry Vail, George Bishop, H. W. Porter.

The team, this year, will be practically the same as last year's runners up for the Provincial championship; only three will be missing—Charlie Wigmore and Quentin Leitch, who are on the black list through playing ball, and "Biddy" Burke, who is in Ottawa. Last year's senior players who have signed their intention of joining up are: "Buck" Bennett, Waldon Kennedy, Gordon Kennedy, Harry Barnaby, Ralph Walsh, Harry Corbin and Don Oyer.

A number of last year's junior players are expected to be fitted to travel in senior company this winter. A drive for membership for the new club will be made at once, and as Kentville is a red hot hockey town, a large number are expected to join in the new club on its feet.

Barry Lloyd, of Kentville, has made an attractive offer to take over the fine large Kentville arena for the season.

## GIRLS, HAVE YOU GOT YOUR DOLL YET?

The beautiful doll which THE ACADIAN is offering the young people in return for a slight effort on their part is causing quite a sensation and the boys appear to be nearly as much interested as the girls. Already a large number of subscriptions have been handed in and our first shipment of dolls is already exhausted. We have another shipment on the way, however, and any boy or girl who complies with the requirements may be assured of securing the doll, the ownership of which would make any little girl wild with joy. A description of this wonderful creation will be found in another place in this paper, but it fails to give any correct conception of its many attractions. The doll is in the regular way at ten dollars and is given away to any person who secures five new subscriptions to THE ACADIAN.

Already we have had a number of applications to sell these dolls to parents looking for Christmas gifts, but they are not for sale. The way to secure one is to get the necessary subscriptions. All over the county there are still those who are not regular readers of the paper and it should be a very easy thing for any girl who desires one of these beautiful and wonderful dolls to have her desire gratified. Tell the girls about it and get them started. A slight effort will be necessary to ensure their success.

## LAW AND ORDER

To the Editor of THE ACADIAN  
 Mr. Editor,—With distress I would like to call your attention to happenings in our town.

At two recent funerals where burial was made in our beautiful cemetery, the floral offerings, exponents of love and sympathy, were attacked by a horde of so-called "street Arabs" in one case, while the sexton was still in the cemetery, and the flowers ruthlessly torn from their fastenings and ribbons likewise. On being spoken to "they" relinquished their devastation only to return with renewed vigor when their critic had departed.

The contempt with which "Law and Order" is treated in this town seems to have permeated even this section of the population.

Surely something can be done to preserve the sanctity of the resting place of our dead and prevent the vandalism now prevalent.

Thanking you for your space,  
 A. B. C.

## PICTURE HAS WIDE RANGE

"His Children's Children" Has Story of Human Interest.

A picture with a wide range of scene and a story of great human interest is "His Children's Children", Sam Wood's Paramount screen version of Arthur Train's successful novel which will be shown at the Orpheum Theatre, Wednesday and Thursday. The cast is an extraordinary one and among the featured players are Bebe Daniels, Dorothy Mackall, James Rennie and George Fawcett.

The story, which deals with the foibles of modern society life, high finance, and parental neglect of children, gives wide scope for sympathetic and picturesque treatment. Scenes in the picture range from Wall street to the Denver freight yards with many others, including Long Island homes, English mansions, Broadway cafes, subways, elevated roads, beaches, Greenwich Village, and Long Island hunting lodges. Director Wood asserts that the picture gives a more complete view of New York city and its life as a background for the gripping story than any production ever filmed.

A marriage of unusual interest was solemnized Tuesday morning at St. Andrew's United church, when Miss Jean Pratt, eldest daughter of the late Captain John Pratt and Mrs. Ida M. The bride, attired in a brown travelling suit, trimmed with fur, with hat lining suit, and carrying a bouquet of Ophelia roses and pink carnations, was given away by her brother George. Both bride and groom were unattended.

The happy couple left on the morning express for Boston, from which point they will motor to their home in Ohio, where Mr. Macgruder is on the faculty of the Davy College of Tree Experts. The bride, who is one of Wolfville's most popular young ladies, will be greatly missed in the town. She was the recipient of many useful gifts. On Monday evening the address of the church, at which there was a large attendance of members and friends, Mrs. Morrison gave a very fine address, speaking on the various phases of the work of the organization, making special reference to the work among the young people.
