Rev. Wim. R. Alger, of Boston, says:

Smoking is a vice, because it is a master of labor, time and health; imtoxicating liquor and tobacco are the chief enemies of the human race, therefore no elergyman can held gu ltime therefore no elergyman can held gu ltime. The man has 10 minutes in which less who does not set a personal extent of the human race, have such as the man has 10 minutes in which less who does not set a personal extent of the such as a personal extent of the such as -The Sou h Africa Company

cerning the use of tobacco. A large intimate friends as "such a wreck, give the following report of the search habitual smokers as preachers. I believe there should be a reform in this excuses for the husband.

The tuning the best in the States give the following report of the search habitual smokers as preachers. I believe there should be a reform in this excuses for the husband.

The tuning the best in the States give the following report of the search was and even her lawyer begins to find excuses for the husband.

Power than the control of the best in the States give the following report of the search was and even her lawyer begins to find excuses for the husband.

the Salvation army assaulted in Montreal, and a band of Evangetists nearly killed in Hull.

— Two distinct shocks of earthy large were felt at St. Louis, last week. Dishe and bothes were shaken from shelves in the stores and some slight damage done. It was thought, that the powder magazine had exploded.

— A Kentuckian says he can produce a rain storm which will cover a whole county and last four hours at an expense of \$11 for certain chemicals and he is now impatiently await.

The Salvation army assaulted in Montreal, and a band of Evangetists nearly killed in Hull.

Newman Hall, the great friend and bearing and the great friend and bearing and a band of Evangetists nearly killed in Hull.

Newman Hall, the great friend and bearing and in the working man, gives his opinion of the weed, and his experience with it in his own quaints style:

I began to smoke when I was eight awful. A woman isn't even allowed to grow old in peace. Going the course of nature is the worst crime she can commit. If she isn,t married her brothers don't forgive her for it, and if she is married her husband and unhealthy habit. The practice should be especially avoided by ministers. There are some in every church who will be regard to those who will promise to supplyzhim with information as to their adaptability to northern latitudes. They cost much wife is pronounced not half a wife if she shrinks from him on that account. In fact, being a woman at all is a snare and a delusion.

It sounds very, very nice, but it's awful. A woman isn't even allowed to grow old in peace. Going the course of nature is the worst crime she can commit. If she isn,t married her husband won'.

Mewman Hall, the great friend and by causes far less confessable, but a wife is pronounced not half a wife if she shrinks from him on that account. In fact, being a woman at all is a ware and a delusion.

It sounds very, very nice, but it's awful. A woman isn't even allowed to grow old in peace. Going the cancountit If she isn,t married her husband wife is pronounced onth
