were given at Britannia Park on Saturday afternoon, when the Hamiltons and Niagara Falls met in a double header. There was a large crowd in attendance when the first game started, and before it was over it was swelled by several hundred. The Tigers won both games, doubling their opponents score in each. A coincidence was that both teams got twice as many runs in the second game as they did in the first. The scores were small, however, 2-1 in the second. Long did the twirling for Hamilton in the opening game, and held the Yankees down to six hits. Muir was the Yankees down to six hits. Muir was on the slab in the second and he, too, did well. Bates, who did the twirling for the Yankees in the second, did the star slab work of the afternoon, only four hits being made off him. The Yankees fielded snarply, as they generally do, and made no mistakes in the first and only two errors in the second. The himiltons had two double plays to their credit—both in the 'rist game. In the second the Yankee, made a double play with one down and one on bases.

HON WM GIBSON. President of the Hamilton Jockey Club.

opening day, the feature being the Derby. It is expected that there will be at least eight starters in this and all of them horses of class and the race should be a good one from the spectators', as well as the speculators point of view. The entries for tomorrow's race are on page 10.

Following are the officers of the Hamilton Jockey Club:—
President—Hon. Wm. Gibson.
Vice-Presidents—F. C. Bruce and Judge Monck.
Directors—Samuel Barker. M. P.;
W. D. Long, J. J. Scott, Gordon J. Henderson, P. D. Crerar, Robt. Hobson.

Magara Falls, June 8. (Special.)—Yesterday the boys from London way went to Gianelli—their former team-mate—at opportune times, and, assisted by a bundle of errors, took the opening game of the series with the Yankees by 9—3.

Bird set off the fireworks in the opening inning, after Keenan had been passed to first, by hammering the pellet out of the lot near the score board. Three more were recorded in the eighth. Klincke went out on a slow grounder. Johnson was passed and advanced to third on Payne's single; Payne stole second, Jeffries flew out to Foersch, and Johnson, who was leading off third, scored on a pitched ball that bounded off Doremus' hit. Payne and Keenan advanced on Bird's single, and came home on N. Jeffries' mad drive to the scoreboard in right. Lee sent a bounder to Dossinger, retiring the side. Dauber and Johnson scored in the sixth. Dauber got a life, stole second and scored on Johnsons' drive to right. The latter stole third and scored on a muff at the plate by Doremus when Bates relayed a throw home on Payne's out. The home club filled the bases in the eighth with Gianelli. Joy and Doremus whe scored Secretary-Treasurer—A. R. Loudon.
J. J. Burke, New York, will be the presiding judge, and Francis Neison associate judge. The handicapping will be done by F. W. Gerhardy, the c'erk of the scales.

throw home on Payne's out. The home club filled the bases in the eighth with Gianelli, Joy and Doremus, who scored with Wilson's drive to left centre for two sacks. McCabe is out of the game with a swollen knee. Manager Murray "railroaded" Armstrong, and Capt. Kelly would not stand a cut in salary. Their places were filled by Wilson and Casey, of Niagara University. The score:

The vacant one is the one reserved for Mr. J. E. Seagram's string. Instead of bringing the Seagram horses to Hamilton to-day, the employees were permitted to go to Wat-erloo to vote. The string will arrive here to-morrow. Purslane will start in a

Another stride has been made toward procuring for Mexico a national Derby. The Federal Government has guaranteed \$250,000 in sums of \$25,000 annually for ten years, to begin in 1910, the date for celebrating the centennial festival, and has entered into a formal contract with the Jockey Club. Nominations for the first Derby must be made by December 1, 1908.

Toronto World: The Woodbine meeting closed on Saturday, and one of the Omario Jockey Clubs most successful meetings passes into record. While the average of favorites to win was probably lower than usual, the races were as a rule truly run, and continued progress along this line would find the total elimination of the dead ones from every event. The work of the starter was not only honest, but capable, and this also made it possible for the best horse to always win. The work of the other officials is also to be commended. Rough riding was not tolerated, and the placing at the finish was always correct. Fortunately the mishaps were few and not at all serious. One horse dropped dead due to a weak heart, and he might Toronto World: The Woodbine meetdead due to a weak heart, and he might

It is to be hoped the good work will continue at Hamilton and Montreal, to

continue at Hamilton and Montreal, to which points nearly all the Woodbine racers have been shipped.

In the last week the impression gained ground that the players were getting an advantage in the battle of odds. At rill events, the layers complained that the sharpshooters were taking their profits away, but if it were possible to get accurately at the facts it would probably be discovered that the books had quit all round ahead by a good margin. Should the contrary prove the case, there would be no lamentation if the bookmakers and their army of assistants decided to stay away altogether, and thus hasten the arrival of the Pari-mutuels, that are bound to come sooner or later.

As has often been pointed out, there are several objections to the present me-thod of betting—one the undesirable operators from across the line, who act stretch Ellicott passed Inferno and won easily by two lengths, with Inferno six lengths in front of Clell Turney, who beat Cave Adsum a neck. Inferno ra a great race, but his heavy impost told at the end. The winners: Please 6-5, Since 9-10, Photophapher 3-1, Ellicott 7-1, Bound Brook 5-1, Martin Doyle 1-2.

During the thirteen days of racing of the Ontario Jockey Club's spring meeting at Woodbine Park, Toronto, which came to a close on Saturday, eighty-two taces, ten of them steeplechases, were as assistants to the owners of the books.

C.L.A. TEAM ON STRIKE.

Indians Were Substituted and Hamiltons Won the Game.

The local lacrosse team had somewhat of a surprise sprung on them on Saturday when they went to Brantford to play, as they thought, a return game with the team which played here a week ago Saturday. When they arrived at the lacrosse park where they saw twelve Indians on the grounds with Brantford uniforms on them. Poor Danny McLean seems to be having troubles of his own in Dykeville and for some time the team have been very much dissatisfied. To begin with there were only three players on the team who got a regular salary and the rest took a chance on the gate receipts. This chance proved to be a pretty slim one and Thursday afternoon the players wanted the money on hand divided up. Danny could not see it that way and told them so and as a result the whole team who were being paid were on the fence and could have been retained, but Danny made a clean sweep and then made for Oshwekan. Hepicked up a team playing there called the "Royal Canadians" and took them all to Toronto, where they were granted C. L. A. certificates in the name of the Brantford team. This was not known by the locals and when they arrived and saw their opponents they immediately started to protest, but the certificates silenced them. The teams played to empty benches for the most part and the great expectations of large crowds at the national game have been given a harder bump every game that has been played in Brantford.

Hamilton won easily by a score of 16 to 6. No judge of play was asseed for by either management as no brus.

game have been given a harder bump every game that has been played in Brantford.

Hamilton won easily by a score of 16 to 6. No judge of play was asked for by either management as no brutality was expected, and indeed there was none at all. The only man hurt was Tanguay, of the locals, who was knocked down and fell on Marten's stick getting his nose and cheek laid open. Marten was ruled off for ten minutes for this, but it was plain he was not to blame and the two teams deserve credit for the way they played the game. Finley, of Winnipeg, who took the place of Newsy LaiLonde, the contract jumper, is a little man, about the smallest on the team and he plays a good game. He is well skilled in the handling of the ball, but plainly does not like the stick-rapping game and he dodged this whenever he could. Fink played his regular star game at centre and can be depended on for assistance at any time. Don Smith and Tanguay made a good pair till the unfortunate accident to Tanguay. McInnes and Heffernan showed up well. The former was especially well up in the scoring and has led all through in this line. For the Indians, Joe Logan and Marten played a star game and both are heavy men. The Indians had a star home division, but their defence was a good man, but had little "chance to keep the score down when the shots were put in at about the rate of 25 a minute. The teams lined up as follows:

M'LEAN'S EXPLANATION.

Brantford, June 8.—(Special).—Manager McLean, of the Senior C. L. A. ager Melcan, of the Semon Lattern, autounced to your correspondent last night the reason for the dismissal of the Brantford seniors, and their displacement by the Royal Canadian Indians on Saturday in the scheduled league match against Hamilton. Three of league match against Hamilton. Three of the former players received a weekly salary, Taylor, Hamburg and Camplin, while the home brews were out for the glory of the game. The latter got cired of their end of it, and kicked when the paid men did not appear to be delivering the goods. It began to look as if Brantford would default before the season ended, and to prevent this possibility which involved the loss of the \$200 guarantee money, the Indians were accured. They will finish the schedule, however.
