

Sheep Activities in New Brunswick

Sheep Activities in New Brunswick. Mr. Normand Stanfield, Acting Chief of the Sheep and Goat Division, Ottawa, with Mr. J. K. King, Maritime Representative of the Livestock Branch have been in Fredericton this week conferring with the Hon. J. F. Tweeddale relative to the co-operation of the two departments for the future advancement of the sheep in the province. Mr. Stanfield is very favorably impressed with the possibilities for sheep production and likewise with the progressive legislation that has been enacted for the protection and purchase of sheep by the department. While in Fredericton Mr. Stanfield visited the wool warehouse and expressed himself as being well pleased with the quantity and quality of the wool accumulated. Some very important decisions affecting both the farmer and the breeder were arrived at. The Federal department of Agriculture is offering a bonus of \$5.00 a year for two years in succession to a farmer who will use a pure bred ram. This bonus applies to farmers who have never used one before. The Hon. J. F. Tweeddale has given his assent to a provincial bonus of \$15.00. It is anticipated that this bonus will be an incentive to the farmer for the

purchase of more and better rams as it will make up the difference between the purchase price of a pure bred and a scrub. The motive is simply to demonstrate for two years the value of the pure bred sire versus the scrub, and if at the end of two years the farmer is convinced by concrete evidence, that is better lambs, then it is assumed that he will continue to use pure-bred rams, but will receive no further bonus. Another decision affecting the owners of grade flocks was arrived at, viz, that if a group of twenty-five farmers in any district or parish will get together and appoint a representative to purchase stock, the Department of Agriculture will pay his travelling expenses to any place east of Fort William, Ontario and will, if possible, have a representative go along and help make the selection. This idea should appeal to the farmers' organizations throughout the country. The representative will have to purchase twenty-five rams in order to have his expenses paid by the government.

A scheme for the grading of pure bred rams bred by the breeders of New Brunswick was also decided upon. New Brunswick is the first country in the world to adopt this method which is probably the most advanced measure yet taken by any Department of Agriculture for the protection of the farmer who buys his hand sheep by mail. Briefly the scheme is as follows: Rams will be classed as Superior, Average and Common and will be marked 3 star, 2 star and 1 star respectively. The rams will be graded by an expert sheep man and if a farmer writes to a breeder for a 3 star ram then he will be assured that he will get a first class article. Each ram will be marked. Further, the Federal Government will bonus only 3 star and the Provincial and Dominion Department of Agriculture should bear this in mind. The Provincial Department of Agriculture will bear a bonus of \$3.00 and \$2.00 respectively on each 3 star and 2 star ram produced by the breeders of the Province. 1 star or common rams will not be bonused in any way, and it is hoped that these 1 star rams will be finally eliminated from the trade.

Binks—Do you and your wife ever think the same?
Jinks—"When I'm out late we do. She keeps thinking what she'll say when I get home, and so do I."

Light, Convenient Economical

WHEN you buy a wash tub, a washboard, or a pail, keep those three qualities in mind. And see that you get the product which will save effort, and time and money.

EDDY'S INDURATED FIBREWARE WASH TUBS PAILS, ETC.

save all three. They are easy to lift and easy to carry. They will not absorb liquids or odors, and it is no trouble to keep them clean. They will not leak either, nor become battered or dented. And they cost much less than metal, and last longer into the bargain.

Ask your dealer for them.

FRIENDS THOUGHT HE WOULD DIE

"FRUIT-A-TIVES" Conquered Dyspepsia and Restored His Health.

MR. ROBERT NEWTON.

Little Bras d'Or, C. B. "I was a terrible sufferer from Dyspepsia and Constipation for years. I had pain after eating, belching gas, constant headaches, and did not sleep well at night. I lost so much weight—going from 155 pounds to 146 pounds—that I became alarmed and saw several doctors who, however, did me no good. Finally, a friend told me to try 'Fruit-a-tives'.

In a week, there was improvement. The constipation was corrected; and soon I was free of pain, headaches and that miserable feeling that accompanies Dyspepsia. I continued to take this splendid fruit medicine and now I am well, strong and vigorous."

ROBERT NEWTON.
Box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

HAZELTON

Hazelton, July 19—The weather has been very warm for the last few days, now we are having a little rain now.

Mr. Frank Murray, spent the former part of the week with relatives here.

Mrs. M. Rae, Strathadam was the guest of Mrs. Allen Tozer the 12th and 13th inst.

Driver Walter M. Matchett who went overseas with the 12th Field Battery returned home last Friday morning and is being warmly combed by old friends.

Mrs. Henry Leach who has been the guest of Mrs. J. A. Leach for the past few weeks, and to Cassilis on Monday.

Charged with Murder of Nun 11 Years Ago

Traverse City, Mich., July 23—Attorneys for Mrs. Stanislaus Lypshinski, who is charged with the murder eleven years ago of Sister Mary John, of the Immaculate Conception, announced today that their Habeas Corpus petition would be carried before the State Supreme Court following the decision last night of Circuit Judge Frederick W. Mayne, at Leland, that the woman must stand trial there July 29. The court held that sufficient evidence had been produced upon which to warrant holding her to circuit court. He also stated that there was sufficient evidence that the body dug from beneath the Immaculate Church and transferred to a cemetery at Leland was that of the missing nun.

Another Big Timber Sale Next September

It was announced that it is the intention of those in authority to have Government lands been warmly commended by various authorities including Dr. C. T. Hewitt, Dominion Entomologist. It is the intention of the Department of Lands and Mines to cut a strip six feet in width along the entire boundary of the Game Refuge in order that no person may have the excuse that he entered the area without knowing it. A chain of guardians which will be more or less permanent also is to be established around the area which comprises four hundred square miles in Northumberland County.

Game Refuge Commanded.

The establishment of a game refuge in New Brunswick by the Provincial Government has been warmly commended by various authorities including Dr. C. T. Hewitt, Dominion Entomologist. It is the intention of the Department of Lands and Mines to cut a strip six feet in width along the entire boundary of the Game Refuge in order that no person may have the excuse that he entered the area without knowing it. A chain of guardians which will be more or less permanent also is to be established around the area which comprises four hundred square miles in Northumberland County.

Extending Telephone Lines.

The Department is working steadily at the extension of telephone lines. A lookout tower is being established at Bald Mountain, Nictau Lake, with rangers' cabin near it. A telephone line starting at the Gloucester Iron Mines on the Nepisiquit River is being built now by the Bathurst Lumber Co. The Department to bear half the expense. This line will extend to Nictau Lake lookout and thence to the Tobique Forks where connection will be made with existing telephone lines. Another phone line is being built from Summit Station on the N. T. R. down the valley of the Southwest Miramichi toward Newcastle. On Bedell Mountain near Summit a lookout is to be erected which will give a full view of the valley of that river as far as Betsworth and also a view of a portion of the Tobique country. It is contemplated also to have a branch line from one of the other of these two main telephone lines to Bald Mountain on the Segoville, the highest point in New Brunswick with an elevation of 2750 feet. Another lookout for the Miramichi country will be located there.

Girls! Whiten Your Skin With Lemon Juice

Make a beauty lotion for a few cents to remove tan, freckles, sallowness.

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quart of the very best lemon skin whitener and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! it is harmless, and the beautiful results will surprise you.

Normal Weight

Perhaps you are worried because your child does not pick up weight? Better try

Scott's Emulsion and watch how it helps make a thin child grow and put on weight. There is nothing quite so strengthening as Scott's Emulsion for a child of any age.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross" are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation.

Genuine "Bayer Tablets of Aspirin" are now made in Canada by a Canadian Company. No German interest whatever, all rights being purchased from the United States Government.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally.

Ready to box of 15 tablets—also larger sized "Bayer" packages can be had at drug stores. Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing Co., Germany.
