

## Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

### What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulence, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. ## DOCTOR WARD, The Specialist

SPECIALIST IN THE TREATMENT OF NERVOUS CONDITIONS, NERVE EXHAUSTION, BACKACHE, LUMBAGO, RHEUMATISM, STOMACH AND LIVER TROUBLES, ACNE, SKIN DISEASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS. The knowledge gained from many years' experience in treating diseases just like yours is of much benefit to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well—that he is rid of his ailment—he feels that a heavy load has been lifted from his shoulders. I give every patient the benefit of the knowledge acquired through the long experience of a graduated, licensed and registered specialist, in order to bring about the most satisfactory results in the shortest possible time.

### NERVE EXHAUSTION

A CONDITION AFFECTING MANY MEN—THE GREAT AMERICAN DISEASE—IT IS BROUGHT ON BY OUR MANNER OF LIVING—OUR WORRY AND HURRY—AMERICANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they do not feel right—why they can't work like they used to—why they tire so easily and why they are irritable, nervous, dependent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time. Men affected with nervous exhaustion have no endurance—no ambition—everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights follow.

### RHEUMATIC AILMENTS

SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBAGO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY—INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS—MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheumatic patients are nearly all strong and robust before being attacked by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy burden has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.

## MEAT CAUSE OF KIDNEY TROUBLE

Take Salts to Flush Kidneys if Back Hurts or Bladder Bothers.

If you must have meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the chances often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water drink.

## Wild Times the Order in Ireland Now

(Continued from page 1)

and three bomb cases, has been sentenced to three months' imprisonment. Carroll was identified with the Sinn Fein whilst living in Ireland up to November last.

Sinn Fein Contest Dublin  
Cornelius O'Mahony, of Aghionhill, Cork, was sentenced to six months' hard labor by district court martial for having in his possession pamphlets advocating war on the British garrison till driven to evacuate Ireland. Recruiting for the Royal Irish Constabulary has been opened in London. It is officially denied at Dublin Castle that police stations are to be armed with Lewis guns. The Sinn Feiners are contesting every municipal seat in Dublin with the intention of sweeping the corporation.

### Was Some Battle.

It now transpires that in the attack on Carricktohill Barracks, at Cork, the Sinn Feiners numbered 300 and were armed with rifles, revolvers and bombs, and lasted from 10.30 to 3 o'clock, when the ammunition of Sgt. Scott's party of five men ran out. Having accomplished their exploit of destroying the barracks the raiders attacked the local railway station, stole a joint of meat, a sewing machine and four shillings in cash.

### O. U. Kerry Dancing!

Several dances at Cork and Kerry were broken up by Sinn Feiners, who dispersed the revellers with pointed rifles. In one case the dancers turned the tables and chased the Sinn Feiners.

While a police patrol was protecting a local farmer near Ennistymon County Clare, Sinn Feiners ambushed the patrol on both sides of the road, severely wounding a constable. The patrol repaid with hand grenades, which put the attackers on the flight. A local doctor, whilst motoring to visit a patient, was caught between two fires. Bullets smashed his arm in two places.

Constable Clark of Ballylongford, Kerry, was the victim of a murderous attack. One hundred and sixty pellets shot at him lodged in his neck and shoulder.

Yesterday morning volleys of shots were heard in the vicinity of Phoenix Park, Dublin. Motor cars, with search lights blazing, went round the park. No official statement was made, but it is surmised that centries had fired on loiterers who had been trying to get out of the park, which is now closed at dusk.

### A Plucky Constable

On Sunday night a taxi cab was held up near Belfast by an armed gang, who seized it to use in arms raids. The car broke down on the road and the Sinn Feiners gave up the job, threatening to murder the driver if he accompanied the place, which he did on his return to Belfast adding that in future he would carry a revolver on dark roads.

Last night whilst Constable Tennis was passing the vacant ground between Fitzroy avenue and University avenue, a shot was fired, the bullet grazing him. The constable rushed back in the direction of the shot, but found no one.

Speaking at Stranmillis Unionist Club last night, not 200 yards from where Constable Tennis was shot at, Major the Hon. Hugh O'Neill, M.P., said that in Ulster there was not much trouble, yet things were happening very close to their doors, and it was incumbent on Ulster people to prevent crime.

ment of Ireland going that murder raids were not known of? The Government must place their authority in the south and west on a proper basis to render it unassailable by Sinn Feiners. There were 60,000 troops in Ireland and a splendid force of police, and in spite of all the country was never in such a deplorable state. Unless the Government adopted different measures the country would go from bad to worse.

## Crooks Gets Off Lightly

(Continued from page 1.)

would butt its way through a hill-side. Lord, what a kick he had like. Out in another building two more cars, of the "Ground Dynamite, blue vitrol and turpentine" were found.

Crooks was brought to Grimsby and the still was loaded on a wagon and also brought to the local calaboose.

A charge was laid before Justices of the Peace Livingston and Anderson that Crooks, "Did have in his possession a still for the illicit manufacture of spirits, without a license." Defended by G. E. McComachie, he pleaded guilty to the still being on his premises but not in his possession. He claimed that a man by the name of Rodney, who resides on Cannon Street in Hamilton, and who is a junk dealer brought the outfit to his place with a load of other stuff as he had often done and left it there until he would have time to call for it.

Inspector Baby pressed for a \$500 fine, but did not wish to see the man imprisoned.

Their Worships, knowing fairly well the poor circumstances of the accused, looked on the matter in a lenient light and fined him \$300 and costs.

The man Rodney, referred to by Crooks has been in Police Court in Hamilton at least twice in the past year, at the instance of Inspector Sturdy on breaches of the O. T. A. charges.

It was rumored around the court room that Rodney moved the still to Crook's place all right, but it was for the purpose of making whisky there, and that it would have been in operation in a short while had not the inspectors appeared on the scene.

The Crooks farm, would no doubt be an ideal location for such a plant, sitting as it does on a high table-land right under the mountain brow and stretching away to the east, while on the south the nearest neighbor is half a mile away and on the north and west it is faced by high mountain walls.

This is the second case of this kind in the last four months for Grimsby and shows that we are getting more like Tennessee every day.

### "SAFETY FIRST."

A shuffle in the Borden Cabinet has been occasioned by the retirement of Hon. S. C. Mewburn from the government, but the new deal does not apparently provide for the opening up of any constituencies. "Safety First" is still the motto at Ottawa.

## QUESTION OF AN ALIBI IN RINDER'S CASE

(Continued from page one.)

another man to testify to the alibi, named Romaine, who lives at Cobourg and has not yet returned.

Mr. McCarron said it would have been practically impossible for Rinder to have been in St. Catharines to commit the robbery on Tony Concoridia. He felt certain it was a case of mistaken identity with the Italian. It was cutting time too fine, he held, to connect Rinder with the robbery which took place at 10.15. At 12 o'clock Rinder was seen again at the boarding house at Stamford. If the Italian was mistaken about Rinder he was also mistaken about McGlade as well.

Crown Attorney Brennan said alibi evidence is looked on with suspicion by courts. It is an easy matter to make a mistake as to time and dates. Concordia, the man robbed, says the man was there and identifies the two men.

The Magistrate said two witnesses today had impressed him favorably. Secord's birthday and the offer to sell the scarf seemed to fix the date and the time. He would adjourn the case till Wednesday to further consider the points in the evidence.

If the new Paris fashions are to be anything like the despatches suggest it won't be long before the styles affected by our earliest ancestors may again become the craze of the smart set of Paris and New York, and perhaps elsewhere.
