No wonder catarrh sauses headache, impairs the taste, smell and hearing, pollutes the breath, deranges the stomach and affects the appetite.

To cure catarrh, treatment must be constitutional—alterative and tonic.

"I was ill for four months with catarrh in the head and throat. Had a bad cough and raised blood. I had become discouraged when my husband bought a bettle of Hood's Sarsaparilla and persuaded me to try it. I advise all to take it. It has cured and built me up." Mrs. Hoes Rubolfh, West Liscomb, N. His name was Hermann, a little The Singer fair-skinned, white-haired boy, with a wide mouth, blue eyes high forehead, dressed, moreover, in a style that gave him the appearance of being a little old man rather than a young boy; with a flat green cap, a short blue jacket a long black vest and wide, shapeless trousers. often those who have been robust, become delicate and liable to lung troubles, hence measles should never be regarded with indifference.

Measles are generally followed by an acute attack on the mucous membranes. The sneezing is accompanied with a watery discharge, sometimes bleeding from the nose, a cough of a short, frequent and noisy character, with little or no expectoration, hoarseness of the voice,

Once the cough starts you should procure a bottle of Dr. Wood's Norway Pine Syrup, take a few doses a day and thus prevent bronchitis, pneumonia, or perhaps consumption getting a foothold on your system.

Mrs. Oliver Kelly, Bellisle Station, N.B., writes:—"Two years ago I had the measles, and they left me with a bad cough. I kept getting worse until at last I could not sleep. My neighbor told me of Dr. Wood's Norway Pine Syrup, so I sent and got a bottle, and before I had used it my cough was all better.

I find it a great family medicine for colds and coughs, and I now keep it in the house all the time." Dr. Wood's Norway Pine Syrup is 35c., a large bottle 60c., at all druggists and dealers. Put up only by The T. Milbura Co., Limited, Toronto, Ont.
