It is estimated that the United States who was working near by, in a fit of has expended over two hundred millions rage stabbed his wife to the heart, and of dollars during the past ten years in then, full of remorse for the cruel deed of dollars during the past ten years in fighting and taking care of the Indians. Detailed information from the flooded sume tree underneath which his child districts of the Mississippi shows that the reports of terrible sufferings are not had met its death. exaggerations. Thousands of people are actually starving.

In the suit for breach of contract brought by the Northern Transit Com-Company a verdict of \$11,000 has been given for the plaintiff. The sum claimed was \$400,000. The earl of Crawford and Balcarres

has engaged four spiritualists, who are now at Dunecht House, Scotland, endeavouring in clairvoyance to see the violator of the tomb of his father.

The difficulty between Chili and Peru appears to be drawing to a close. After an obstinately-contested fight the Per-uvians were defeated, and Chili now omes forward and offers terms of peace, which will llkely be accepted.

Mr. Percy Punshon, youngest son of the late Rev. Dr. Punshon, is about en-tering the ministry of the Methodist Church of Canada, and was recommended as a candidate to the Toronto Confer-ence at the last quarterly meeting of the Metropolitan Church.

Gen. Wm. Wright, the well-known engineer who marched with Sherman to the sea, and has been prominent in political affairs, died in Movaminsing prison. Philadelphia, on Thursday night. He was sent there for lying drunk in the street.

The prospectus of a new Canadian Cattle Company has been issued. The directors are Lord Thurslow, Sir G. G. McNeill, Lord Kerr and Juggins Burke Brown. Bankers — British North America Bank. The capital stock will be £200.000 in 20,000 £10 shares. The company purposes importing Canadian

ive stock for these markets. The celebrated North Ontario election case has been before the courts now for nearly four years, and the last motion which was argued was on behalf of Mr. Wheeler, the respondent, for an order to set aside the taxation of the costs as against Wheeler. Judgment was given on Wednesday on the application, which

the court dismissed without costs. The rite of circumcision was perform-ed on a young child of Mr. Jacob Landsberg's, Belleville, on Sunday afternoon in the presence of a large number of invited guests, including three clergymen and two college professors, as well as a good representation of professional and business men. The ceremony was per-formed by a rabbi from Montreal. On On its conclusion the company sat down to a light repast which had been prepared, and an hour or two was enjoyably spent.

Great damage has been done recently served. ⁴ HORSES BOUGHT.—Mr. Frank Thomp-son, agent for Mr. A. J. Hemaman of Mansfield, Ohio, whom we spoke of a hort the served damage has been done recently by floods in the Mississippi valley. Bro. Oke replied to the above in a soul stirring address to the school. He advocated first love to reign in the Sunday School, their work in the Sunday School, every one to take a part in S. S. work; neversay 'I cannot." Next he referred to punctuality, always be in time. He said that as well as he could remember, neither he nor Bro. N. Morish, the other superintendent, had ever been five minutes late since being elected as superintendents. Next he strong-ly advocated temperance, illustrating it with the blackboard temperance lesson, trying to fix on the scholars mind the vil arising from taking the first glass, asking as a last request that when they meet together each Sabbath in their school, to remember and pray for him in the far off land, promising to meet them in Heaven. -- [Com.

West Wawanosn.

sur, Charles Mc rostie of West Wawan-esh, which took place on Friday morn-ing last, (10th inst.); at his father's resi-denet near St. Helens. Mr. McCrostie had become a victim to that fell disease had become a victim to that fell disease consumption, contracted through a cold, on all right. The Blyth, as well as othand which had been working on his system for some time, but the symptoms cheap labor had not set in with serious severity until in the end. the latter part of last year. A number of doctors had been called upon to pre-scribe, but all their attempts to alleviate the disease were in vain. Hopes had een entertained of his recovery till within a month or so previous to his death, when the doctors said their skill could not restore him. to health. And when shortly afterwards informed that his allotted time was fast coming to an end, he was fully resigned to his lot. Being a person of a quiet disposition, few words, and to the point, iew were led to know what his hopes were, but from his mode of life, no person could hardly misjudge him in saying that, "To die was gain." Mr McCrostie was 22 die was gain. Mr McCrostie was 22 vears of age, just attaining manhood and being cut of as ocarly a disson prepared to accept of so carly a disson bution from the things of the workd. He was an excemptary young man in all most critery word of the term, scatting and example well worthy of imitation. By his death he leads a large circle of . and to mount the loss, not only as relatives but the entire community and those who was not only beloved by his pupils but man, and his influence was always for yongathy of the sorround ing oounitry in the loss which they are called upon to sustain. He was interred in the St. Helens center yo a Monday the 13th inst, the hears being followed to the place of interane by about 20 conveyances. $-Cov \cdots \infty$ Brandon is surveyed tora city of the prize of Philadelphia. die was gain. years of age, just attaining manhood and being cut off so carly in life is a timely
