# All the World Over Army's Jubilee.

Germany's Supreme Effort.

(The 'Tribune,' New York.)

Measured by every possible stan- German conception is comprehended dard, viewed in the light of all the in an effort to bring these jaws toinformation from all sides, the pre- gether, crushing all of Russia's milisent German offensive represents the tary forces. Successful, the plan will second, conceivably the final, bid of practically destroy Russian military the Kaiser's hosts for a decision, a power. All the Russian troops west favorable decision in the war. Cer- of the Bug defending Warsaw, holdtainly not since that time, eleven ing the railways to Moscow, Petromonths ago, when the great drive to grad and Kiev will be pounded to the Marne began, has there been any nothing, or captured. A Tannenberg such momentous crisis as is now at ten and twenty fold increased will be

By this time the world is wholly For the familiar with the German strategy of August., 1914. France was to be re- to Warsaw to the last possible momoved from the Allied battle line by one swift terrible, final blow which permanent injury, but it is even more would destroy the military power of the Third Republic and leave Ger- armies out alive. Think always of many free to deal with Russia.

But France was not destroyed. The closing on Russian military forces in thwarted. There was left the necesork unfinished and rescue Austria.

Now, over weeks and months the detach an expedition to "hack its German effort to save Austria was way" through Serbia and open a road back of the line, in the reorganizing and re-officering of the Hapsburg forces. Until Austrian armies were related of ultimate victory, since now with all the German masses in the field, the campaign, after one desperate effort culminating at Lodz, fell front of them they cannot move, or at front of them they cannot move, or at gress was held in London some time times and the field in London some times are thirty-four tongues were spoken.

local operations there was the old Kenzen come west, what chance will nigh command conceded, could not be German expects. This is why Gerisposed of-there was left Russia. If many is more confident than ever Russia could be disposed of there since the Marne.

On the other hand, if the Grand Duke is able to escape the jaws of the were made. Russia continued to ad- cracker, if his army eludes the devance, but Russian ammunition grew struction as Joffre's did last August, less and less. The ice blockade and if he gets his main forces safely bethe German blockade interrupted the hind the Bug, then the Germans will inflow of supplies. At the last mo- have won a considerable advantage, ment, before the spring came and but the hope of a real decision will Archangel and Vladivostok were op- have been shattered. ened, Germany planned to strike.

Her blow was tremendous, instant- will be beyond the peril of enveloply successful, continued from May 1 ment. The very vastness of Russian to the end of June, and culminated in territory will preclude successful the swift reconquest of Galicia, the German operations. repulse of Russia to her own territory, the capture of hundreds of thou- the Russians will succeed in holding medical treatment, do not fail to insands of prisoners, the most brilliant Warsaw. No one should minimize the

success of the war. But there was one limitation to the mand it possesses of the Vistula success. Russian military power was bridges. Russian retreat and a sucshaken, as was the French in August, but it was not broken. Defeated, the Russian army escaped envelopment But it is only a complete Russian disalong the San and the Dneister, and aster that can satisfy German necesto this extent the great campaign failed. The failure was complete in this sense. For armies, not position, must be the objective, their destruction the test of success in the present of recorded history in its magnitude

German high command had, how ever, envisaged this failure. It had hoped to envelop the Russian armies in Galicia between the army of Mac-Kenzen coming east from Cracow and the Austrian troops coming north over the Carpathians and west from peace based on complete success. Bukovina. Now it fell back upon far more grandiose scheme, involving an enormous extent of territory and requiring troops in numbers unknown

in other wars. Look at the map of Russia-Poland and it will be seen that it is pushed into Austro-German territory like a fist driven against a pillow. To use nother figure, it is like a nut held within a cracker, one jaw of which is East Prussia, the other Galicia. And in the military sense Hindenburg is the upper. MacKenzen the lower It is said that a team from Wabana, and 'will.'" Then the yarn that I within a cracker, one jaw of which outs and elimination races for the certainly be swatted," says he, and 'ed by the weakness of governments; by the his voice is chill, "for in manner lightness of public opinion and by the fatuity of the intellectual classes."

"On the council of Generals, which s the upper, MacKenzen the lower It is said that a team from Wabana, and 'will.'" Then the yarn that I

About the World-Wide Organization Which Celebrates its Jubilee this

Fifty years ago there was no Salvation Army. General Booth had not been heard of by the world at large.

To-day in fifteen hundred cities, towns and villages throughout the United Kingdom, a couple of million people listen to the "Gospel according to headquarters" being sung and torial gains of Germany, at least, presched by something over a hunpreached by something over a hundred thousand Salvation Army work-ready pointed out, very great indeed.

Sunday morning the tent was blown down. There was no money to buy another one, and meetings were held in turn in such places as an old dancing room, a rag store, a tumbledown hall, a covered alley attached to a drinking saloon a few discarded. For the Russians the problem is simple. They must defend, hold on essential that they should bring their these two jaws of the nut-cracker

closing on Russian military forces in Whitechapel road, which cost £3,500, the eastern field and the main circumstance of the new operation is in the world. Now the headquarters If Germany can envelop the Rus-In the early days practically every-body opposed the Salvation Army. sians, if she can crush their main armies and send their fragments be-Hooligans subjected its members to hind the Bug, she will then be free to extreme violence.
