servable being of a retail nature. There is still a good deal of local hay in existence which is evidence for the fact that local crop was larger than most people imagined. Hay is quoted wholesale at \$35 the ton. The demand for oats is gradually increasing and each week shows more and more activity. The heavy imports of last fall were not drawn on to any appreciable extent during the winter, and though figures for this goods have heen stationary for some time past. advanced prices are the possibility for the future, those these will not be heavy more than likely until stocks become materially lessened. The wholesale figures locally are:-P. E. I. Black \$3.65 bushel; White \$3.45; White 2 feed, \$3.35; Mixed, \$3.20; Corn, 3.10; Crushed Corn, \$3.25; Yellow Feed Meal, \$2.80; White Corn, mixed, \$2.90. Miscellaneous-The miscellaneou

imports for this week were:-500 boxes meal, 45 tubs butter, 319 boxes soap, 5 cheese, 189 pkgs. rolled oats, 200 tons salt per schr. David Morris, for Oporto and 1949 tons coal, by the S.S. Watuka, from Louisburg.

Experts Evolve Scheme to Solve German Tangle.

Berlin Feb. 14 .- (Special Star Tribune Cable. Copyright) .- A detailthere was an average normal busi- ed plan which will solve the fiveyear-old tangle of the reparations problem will be turned over to the Reparations Commission by the inpleting the details of their project.

The reparations can be paid through the machinery devised but a same amount as the international and to the same amount that Ger. also ventilate the room. markets will absorb German goods many can produce for foreign markets. This amount can be gauged through a rough estimate of the minimum German goods which the world will absorb, but the figure is bound to fluctuate in accord with the world's economic condition.

The first point considered by the experts was financial normalcy which will be secured through the machinery of the gold note bank proposed by the committee. While pubbe left to the Reparations Commission the general outline is known. A bank will be established in Ger-
