The Unknown Quantity

Ethel M. Dell's new Novel. It is the story of a girl who, through no fault of her own, is precipitated from a high position in society to one of humiliation and destitution. In her extremity two friends alone are left to her. Why say more, as you all know all Ethel M. Dell's books are great stories . . . \$1.50

Bill the Conqueror, by P. G. Wodehouse. A delightfully and high-spirited humorous story of modern life in New York and London . . . \$1.50

To Our Numerous Outport Customers!

Stafford's ESSENCE OF GINGER WINE

will be in greater demand this year than ever, judging by our sale last year which beat the three previous years combined, and we would suggest that you place your order either through your wholesale house or from us direct during the next couple of weeks so as we can have same delivered to you the early part of December. Last year lots of orders were received too late and goods could not be sent out in time for the Xmas Trade.

We have STAFFORD'S GINGER WINE ESSENCE packed in cartons of 3 dozen, and we guarantee absolutely no breakage in transit.
