

GREAT SUFFERING.—How many thousand ladies, both old and young, have passed through great suffering from that terrible demon Neuralgia, some passing sleepless nights, twisting about in great agony, but succeed in getting relief after a few hours of misery only to be renewed again in a short time with the unrelenting excruciating pain. Others have had to endure this torture for weeks at a time, both day and night, until nearly exhausted, and almost wishing for the angel of death to relieve them. But hope down, a cure has been discovered, a rapid and reliable cure. The remedy is called Dr. J. Briggs' All-levator. It can be tested free all hours of the day at No. 6, King-st., West, and is sold by all druggists. Sold by E. Harvey & Co., Guelph.

IRON IN THE BLOOD. The necessity of a due proportion of iron in the blood is well known to all medical men; when it becomes reduced from any cause whatever, the whole system suffers, the weakest point being first attacked, and a general languor and debility and "all-gone" pervades the system. Stimulants only afford temporary relief, and have the same effect as giving a tired horse the whip in stead of oats. The true remedy is to supply the blood with the necessary quantity of iron. This can be done by using the PERUVIAN SYRUP, a protected solution of the protosulphate of iron, which is so prepared that it assimilates at once with the blood, giving strength, vigor and new life to the whole system. To take medicine to cure diseases occasioned by a deficiency of iron in the blood, without restoring to the system, is like trying to repair a building when the foundation is gone. An eminent divine says: "I have been using the Peruvian Syrup for some time past—it gives me new vigor, buoyancy of spirits, elasticity of muscle." Pamphlets containing certificates of cures, and recommendations from some of the most eminent physicians, clergymen and others, will be sent free to any address. The genuine has PERUVIAN SYRUP blown in the glass. Sold by all druggists. J. P. DENNISON, Proprietor, No. 36, Dea-st., New York.

Its universal adoption to the wants of mankind make it an indispensable necessity in every household. The Balsamic virtues of the Wild Evergreen as an agent in the cure of the numerous diseases of the Throat, Lungs and Chest, which always in our ever varying climate prevail to a greater or less degree are well known, but the power of relieving, healing and curing these diseases is enhanced when by scientific principles is combined with other ingredients of equal value as healing agents. Until recently that terrible disease, Consumption, has been considered an affliction beyond the reach of medicine, or the healing art. But now in the management of Pulmonary Diseases seems to be dawdling upon the scientific medical world, and since many distinguished physicians have acknowledged that CONSUMPTION CAN BE CURED, few there are who attempt to controvert their opinion.
