

## Mr. Mowat's Seat.

As will be seen by a paragraph from the Woodstock Sentinel, Mr. Perry, the popular member for that constituency in the Ontario Legislature, has offered to resign in order to make way for the Hon. Mr. Mowat. Mr. Perry has done this unsolicited, and done it too with the cordial consent of his constituents, who feel proud to have the opportunity of electing the Premier of Ontario, and moreover a man of worth, weight and ability. We understand that several other representatives offered to resign their seats to make way for Mr. Mowat. In choosing North Oxford, he has pitched upon a constituency which is thoroughly Reform, and which will no doubt elect him by acclamation.

The writ will at once be issued, and as it is almost certain there will be no opposition, the election will take place in good time to allow Mr. Mowat to take his seat at the opening of the House.

Dr. Miller, of Burford, lately returned from New Zealand, gives a most gloomy account of that distant Isle in a two column letter to the Globe. He says, take it all in all, Canada is the best country in the world.

The accounts of the Province of Quebec have been distributed, and show that on the 30th of June last the Treasurer had in the Bank a surplus of \$659,035.33 realized since the inauguration of the Federal regime. For the year ending at the same date the receipts are declared to have been \$1,746,458.68, and the expenditure \$1,725,685.23, thus showing a surplus for the year of \$20,773.45.

At 9:10 on Friday morning the Governor General received the following telegraphic message, which was dated November 15, 6.20, Australian time: "Telegraph banquet held; desire health of the Queen and union of the Empire. Signed, Governor of Adelaide." At 11:10 the following telegraphic message was sent in reply: "Canada re-echoes Australia's toast: 'The Queen and the United Empire' Dufferin." ## North Oxford—A Seat for Mr. Mowat.

(From the Woodstock Sentinel.) It affords us no ordinary degree of pleasure to announce this morning, that from the many constituencies placed at the disposal of Mr. Mowat since his return to political life as Premier of Ontario, he has selected North Oxford as his seat, Mr. Perry having, in the most handsome manner possible, and with the full concurrence of his friends, consented to resign in order to make way for him. This announcement will, we are assured, be received with the most cordial satisfaction by all classes of electors throughout the county. The honor and advantage of being represented in Parliament by a minister of the Crown, especially the first minister—and that too of so popular an administration as the present Ontario Government—aside from his unexceptionable political record, are so apparent, as to ensure for Mr. Mowat the hearty support alike of Reformers and Conservatives in the County of Oxford. His election by acclamation in a few days, will verify the truth of our assertion. Meanwhile, we shall only say that the patriotic action of Mr. Perry in the matter cannot soon be forgotten by his constituents. In the enjoyment of their entire confidence, having but a few months since received their unanimous verdict of approval of his Parliamentary course as their representative, and with every prospect of an indefinite continuance of that confidence, he has, upon the first opportunity which presented itself of securing for his constituency the services of a Cabinet Minister, with a fealty and magnanimity but seldom exhibited by public men, sunk all personal ambition and placed his friends in a position to receive fitting recognition at the hands of the people of the County of Oxford. Next week, we shall probably be able to announce the day of nomination.

It is stated that the Executive Council for the Northwest Territory is to be appointed under the provisions of the act passed in 1871; it will be composed of seven persons, five English and two French, and that Mr. Donald A. Smith, and other well known representative men, will be included on the Board.

There is a rumour in existence to the effect that Col. Cumberland will lead the Opposition in the Ontario Legislature next session.

**COLLISION ON THE GRAND TRUNK.**—A collision occurred on the G. T. R. on Saturday between Weston and Carleton. The downward bound train was a freight, loaded in part with live hogs; the train which met this one consisted of empty box cars. Both engines were disabled, two or three of the cars were wrecked and a number of the porcine passengers were killed and wounded. One car rolled down the embankment on to the high road. Fortunately none of the men on either train were hurt. The track was not cleared of the wreck until Sunday morning, and an exchange of passengers had to be made between the mixed train going out and the express coming in on Saturday evening.

## CAUTION.

The Cornwall Manufacturing Company have pleasure in intimating the complete restoration of their works at Cornwall which are now in full operation, producing large quantities of White and Grey Blankets, and Heavy Medium Class Tweeds.

They regret, however, having again to call attention of the public to the continuance of the disreputable practice of importing English Blankets and selling them as Canadian. These Blankets are made largely of Shoddy and Cotton Waste, with a small percentage of pure Wool, and though slightly in appearance closely imitating the Cornwall Blankets, and ticketed "Canadian Manufacture," have neither warm nor wear, but can be sold at a lower price than the Cornwall Blankets (which are made of Pure Wool) can be produced for.

The public are cautioned against this anticipated deception, and respectfully inform that the name of the CORNWALL MANUFACTURING COMPANY is printed on the ticket of every Blanket made by them.

## New Advertisements.

## CASH!

## TREMENDOUS SUCCESS!

## Ready Pay Principle Victorious!

## THE NEW STORE

"CASH" is now doing Double the Amount of Trade for Ready Pay than any Credit Establishment in Guelph is doing.

## WHY?

Because for Ready Pay a small profit only is asked, the money is turned over five times when Ready Pay is made, but the credit system entails an extra per centage added in marking goods, in order to guard against bad debts. The man who gives credit cannot buy his goods as well as the man who does not.

## WHY?

Because he has to buy his stock on credit, and is thereby deprived of the large saving to be made by buying for cash, but the man who sells for ready pay has the money in hand when he goes to market, and can take every benefit that the trade will offer. Such being the case, who can wonder at the great rush there is going on at present at the new store. "CASH" is creating quite a panic among the slow coaches who have been living at their ease on large profits, and he is now going to make a shaking among the dry bones.

Hurry up with your money. Don't forget the spot!
