

FINANCIAL AND COMMERCIAL

LOCAL MARKETS

Despite the fact that the weather has moderated, trading on the local market was quiet this morning. A good offering of hay found steady sale at \$12 to \$14.50. Straw is firm at yesterday's prices.

Eggs are retailing at 35 to 38 cents. The supply was larger this morning than for some time. Butter is firm and as listed.

Potatoes are firm at 85 to 90 cents per bag. The offering has been a small one during the cold spell, the farmers fearing that their produce would be frozen en route to the square. Other vegetables are firm and as listed.

Live hog buyers could not be located this morning but it is intimated that prices would be firm as last week, for shipping on Monday.
