Pitcheer Burke, Catcher Breslin and Third Sacker Yeager Leave For Try With Jackson, Michigan, Team-Vets Report Tuesday.

[By G. H. Townsley.]

DELAWARE, Ohlo, April 10.—The weatherman had a hand in the affairs at the Canadian ball camp here today and delivered a snowstorm that had the American pasttime hunt a fireside.

The game scheduled between the London and the Delaware Moose was called off yesterday afternoon, when the temperature took a sudden leap downward, and during the night a wet snow put the ball lot in a Christmas attmosphere.

Three of the aggregation of tryoutes today left for Jackson, Michigan, of the Central League. They are Pitcher Burke, who looked pretty good, and Catcher Breslin, who was bidding high for a London mit. Third Baseman schedule.

Yeager was shifted to give the place to veterans. This cut makes nine "Buzz" has taken from the original crowd that gathered here for a look in at the league champions. Six were unconditionally released Friday.

The latest news from the veterans who have not yet reported have it that they will report here Tuesday. On that afternoon the London outfit will meet the Ohio Wesleyan Varsity nine again. According to the plans Wetzel will give his men a heavy drill schedule all next week. They will hold practice twice daily, besides the clashes three times next week with the college team. They appear to pull out of here Saturday night and start north on an exhibition is the college team. They are provided to the plans week with the college team. Soldier Jones tonight is awakening interest.

Recen English publications are reporting the visit to England of a Canadian heavyweight sensation, who is the possessor of such an unearthly wailop in his right hand that only a match with Moran, Carpentier or Beckett will give this fellow a workout. His manager informs the English public that his marvel is named Soldier Jones.

If Jones can beat this fellow Greb then Toronto has a white hope. During the year 1913 when Jones was learning to advance the left foot forward and hold the left hand in front of the body Greb was cleaning up the following: Soldier Bartfield, Mike Gibbons, Billy Miske, Battling Levinsky three times and Bill Brennan three times. and Bill Brennan three times. Greb Is Good.

Scotland, and after giving this land of Scotland, and after giving this and that burs the odd once over has decided that Hamilton is a convenient little burg to reside in and issue challenges. Of course, poor old Soldier Jones is claiming his attention first. So perhaps, much attention first. So perhaps, much egainst his will, the Soldier will have to Hon. keep in training after Monday's melee.

Hamiltonians claim their man is the real goods. Anyway, if he can take one of Jones' wallops on the chin and still be interested in the bout we'll pass on him M. Bobby Wakes Up.

By the bye, Bobby Ebor has sud-denly discovered that he is not in the shape he used to be and so has decided shape he used to be and so has decided to go out west on a ranch and try to regain his lost vigor. That is a very sensible plan, because Bobby has cham-pionship calibre if he gets into cham-

CLEVELAND, April 10 .- Sandlot baseball went on record today as opposing the "black sox" as the team being formed by the indicted ball players, former members of the Chicago White Sox, is called.

"Any team in the National Baseball Federation, the recog-nized governing body of ama-teur and semi-pro baseball, which books a game with this outfit faces being dropped from the organization," said J. F. Potts, national secretary.

More than 100,000 amateur ball players in America are en-rolled in the body. Hundreds of amateur industrial teams are lined up.

Toronto fans ask is to see Jones dancing around on his feet in the tenth round.

CLUBS OVER BEDWELL

NEW YORK, April 9.—A war between the Maryland Racing Commissioners announced today. According to local race track followers, one of the chief issues in this threatened conflict is likely to be the question of the status of H. Guy Bedwell, trainer for J. K. L. Ross of Montreal. Bedwell was refused recognize the representatives of the Canadian owners on the Maryland and tracks.

The visitors kept a very strict vigil on Jimmie Tingman, the Royal's centre forward, whom they considered rather dangerous in front of goal. Through a nice piece of combination play between Tubby Turner and Pushman, the Royal's left wing, managed to draw the visitors' defence, when Turner by a very clever pass put the sphere right across to Ting-
