Cicotte Said He Would
Throw Ball Over Fence
In Order to Lose GameState Turns Its Full Strength Into Trial of Former White
Sox Ball Players—Witness Names Accomplices
in Scandal.

CHICAGO, July 19.—The state today turned its full strength into the prosecution of the Chicago White Sox baseball players and others charged with the alleged conspiracy which resulted in the 1919 world's series scandal, sending Bill Burns, who admitted being an accomplice of the defendants, and who turned state evidence in return for immunity, to the witness stand to tell the inside story of the reported selling out of some of the game's greatest players to gamblers who wanted the series thrown to Cincinnati.

Burns, who was only about one-third through his story when court adjourned for the day, was on the stand long enough to name Arnold Rothstein of New York; Abe Attel, former feather-weight pugilist champion; David Zeisler of Des Moines, one of the defendants; Billy Maharg of Philadelphia, and himself among the organizers of the alleged conspiracy. He drew a vivid picture of numerous meetings between the players and the alleged "fixers" in a Cincinnati hotel, the days of the first two games of the 1919 series, saying that the athletes agreed to make the series a "made-to-order one," throwing games just as desired.

Burns testified that Eddie Cicotte, one of the American League's greatest pitchers, said he would "throw" the first game if he had to throw the ball over the fence. Burns identified David Zeisler, a defendant, as a man he had known as "Bennett" during the forming of the alleged conspiracy and declared that "Bennett" or Zeisler was present at most of the meetings when the reported sell-out was arranged.

MAJOR CROWE MAKES
HIGH SCORE IN SECOND
STAGE OF KING'S PRIZE

Bisley Camp, England, July 20.—Major C. R. Crowe of Guelph won the National Rifle Association silver medal for the highest aggregate score in the second stage of the King's prize, making 47 at 400 yards and 48 at 600 yards, total 95. The possible at each range was 50. At 600 yards, Major Crowe had light bulbs and two men on score, the latter coming at the second and seventh shots. Four competitors made 94.

The winner of the grand aggregate was Major McSweeney, with a score of 42. Petty Officer Morton was second with 41, and Major Crowe of Guelph was third with 40. Major Crowe wins the bronze cross.

Scores of 87 enter the final stage of the King's prize. The possible at 300 shot off. Canada will, therefore, have six competitors. Major Crowe, Sgt. Anger, Lieut. Patterson, Sgt. Steele, Sgt. Tyers, Sgt. Wilson. Four Canadians reached the last stage last year. It is restricted to the 100 competitors making the highest aggregate score in the second stage.

The Canadian scores include:
300 600 Total
Maj. C. R. Crowe, Guelph 47 48 95
Sgt. T. Anger, Calgary 43 49 92
Sgt. Steele, Guelph 45 45 90
Lieut. Patterson, Guelph 43 49 92
Sgt. Wilson, Ottawa 45 43 88
Sgt. Tyers, Ottawa 46 41 87
Sgt. Hawkins, Toronto 48 35 83

FRANCE IS URGED TO CARE
FOR NEURASTHENIC WIVESSpecial Hospital Suggested by Paris Alienist To Treat
Women With Changeable Tempers Caused by
Curable Nervous Disorders.

Paris, July 19.—A hospital for wives with changeable tempers, often caused by neurasthenia and other curable nervous disorders, is the latest suggestion demanding the attention of French alienists, and it is probable that a large appropriation will be asked next year to what he calls "half fools," pointing out that society is only being protected against certain classes of craziness.

Dr. Genil Perrin, a noted physician, is behind the movement, and this week strongly advocated greater attention to what he calls "half fools," pointing out that society is only being protected against certain classes of craziness.

"It is a fact that we intern and treat these persons appearing dangerous," he said, "but there are many who are persons slightly deranged because of

some mental lesion or some little cerebral trouble, who are known to science as lucid psychopathic cases, and for these inoffensive cases society does little or nothing."

Such cases, if the patients are rich, naturally undergo some treatment, but the majority are found in poorer homes where conditions, owing to the lack of scientific development, are gradually assuming a more serious aspect.

Dr. Genil Perrin suggests modeling a series of special hospitals on the lines of the psychopathic wards of the American hospitals, where free treatment could be afforded to all comers. He declared that such a step would redound to France's reputation for humanity, and has not yet been attempted elsewhere.

MODERN PIRACY
STICKLER TO U.S.Disappearance of Score of
Ships Off Delaware Coast
Revives Old Tales.

NEW YORK, July 19.—That a great war and improvement in wireless navigation could breed a modern pirate is not impossible. Realization of this fact has been brought to mind by the recent mysterious disappearance from the high seas of a score of ships and the reports of the sighting of a mysterious vessel on the Delaware coast.

It would naturally be expected that a modern pirate would not be content with the navies of the world in pursuit, but the ocean is a large, wet place, and it is surprising how long, even under modern conditions, a ship can evade pursuit. An example can be found in harking back to the Confederate raiders, which were the only vessels in the Atlantic and Pacific for many months. Though hunted from port to port and shore to shore, they were under experienced officers, not one was caught on the open sea.

It is rather an odd fact that piracy, although one of the oldest occupations, has been almost entirely eradicated from the world. The last pirate to be hanged was a Frenchman, Captain William Kidd, who was executed in New York in 1701.

The big Oxford athlete puffs on a briar almost incessantly. He smokes even on the days when he is slated for grueling tests on the cinder tracks, and laughs at American trainers who say it will hurt him.

"Why, it helps me a tremendous lot," Rudd said today. "Over in Antwerp one of your American coaches told me to cut it out and see if it did not help me. I tried it and ran three miles and won my next two events."

Peter Bieler, the favorite in the 2:18 trial, had no difficulty in winning that event in straight heats, with Alcoa and Princess Nedra trailing. Tommy Murphy piloted Brookworthy to victory in the 2:07 trial. In the opening heat the field was bunched coming under the wire, but the Brook horse had the lead in the following heats and the victory had no difficulty in finishing ahead of Wilkirk.

Kokomo George won the first two heats of the 2:07 pace and finished second to Logan Hedgewood in the third from a field of four starters. The crowd was the largest that ever attended an opening day meeting in this city.
