> tractors, and on this work they made amongst the various subdivisions of the about \$65, the contract price being \$377 city as follows: and the actual cost \$311 31

Moses Cox was about \$120 richer after he completed the construction of the Bryce have been summoned to appear on Friday on a charge of being disorderly on \$624 for the work, and it only cost him [5"

MADE A GOOD THING.

Occasionally a contractor makes a good thing out of the construction of a sewer, The homeopaths have elected five representatives to the Medical Council, as follows:—Dr. Logan, Ottawa; Dr. Campbell, London; Dr. Henderson, Strathroy; Dr. Luton, St. Thomas, and Dr. Emory, Toronto. Dr. Philip, of Brantford, tras defeated by Dr. Armour of St. Catherines.

Mr. Cox was as successful on the Euclid avenue sewer as on the Thornton

also made money, getting \$734.92 for work which cost them only \$588.08. Moses Cox did not make much on the Differin avenue drain, but he cleared himself, with about \$40 to spare. The contract price was \$321.77, and the cost to Lim \$280.45.

On the Queen's avenue sewer Harding & Leathorne squared themselves. They received \$363 and paid out \$306.67.
Charles Barfoot was a little more successful on the English street sewer than on Craig street, and nearly evened up for his loss on the latter. He cleared about \$220,

the contract price being \$1,990.32, and the construction cost \$1,778.06.

ONLY MADE \$1,300.

On the twelve sewers above named the city paid the contractors \$13,504 56, and the cost of the works to the respective con-

#### THE REGISTRATION LAW.

How it is Working-Grits With Rigs-The Oath Taken.

The new Cities' Registration Act for Ontario elections was put into force here for the first time at 9 o'clock yesterday morn

any of our THE ENGINEER'S OPINION.

THE ENGINEER'S OPINION.

"It would cost the ratepayers a good deal more than it does under the present system to build their sewers by corporation labor," said the City Engineer when discussing this question. "A contractor at Mosboro, and well-known to Londoners, died on Monday, and was buried at Winterbourne Campulary.

"It would cost the ratepayers a good deal more than it does under the present system to build their sewers by corporation labor," said the City Engineer when discussing this question. "A contractor can alway get more work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of work for each work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of work for each work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of work for each work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of a man than a ward foreman. Each day a contractor marks out a certain amount of work for each work out of a man than a ward foreman.

heelers were in and out of the booths and were scurrying about the Wards in quite an excited frame of miod. Several of them were provided with rigs, in which by a stage-driver in town yesterday. He was identified by his name written on one hand.

perjury occurred at a booth in No. 1 Ward. The Conservatives have the matter "Is as good a job done under the con-tract system as would be if the city did it?" in hand, and if the facts are as stated the "Oh, certainly. If there is any difference transgressor will be speecily brought to

nounced to preach.

The members of the Fire Department are greatly in need of winter clothing. When the city undertakes to make the men wear uniforms they should see to it that proper clothing is provided. The summer suits are much too light, and anyway they are worn out.

Three well-known city officials Tuesday pooled a dollar each, the pot to go to the one who could guess the nearest what Mayor Essery's majority over Mr. Hobbs

It is on the side of the contract system, for better laborers as a usual thing are employed."

The oath to be taken by the Manhood Suffrage voter applying for registration is as follows: [1] Name and occupation; [2] British subject; [3] resident of the Province for 12 months previously; has an inspector who looks just as thoroughly after the work as it would be possible to do if the city were doing it."

Lost over \$200.

The first sewer that any account was been registered at any sitting of Registrars where the contract system, for better laborers as a usual thing are employed."

The oath to be taken by the Manhood Suffrage voter applying for registration is as follows: [1] Name and occupation; [2] British subject; [3] resident of the Province for 12 months previously; [4] resident of city for three months preceded in city; [6] place of residence; [7] you believe you are entitled to vote; [8] 21 years of age; [9] not entered on revised list of voters to be used at this election; [10] not been registered at any sitting of Registrars

It is estimated that the total number of ing into the sawer while it was under construction, because it was not properly guarded.

It is estimated that the total humber of electors who will have to register will not exceed 2,000, and of these between 1,700 and 1,800 were on the list on which the The Marley place drain we the next one election last June was held. Yesterday built, Harding & Leathorne being the con- 849 electors registered their names, divided

.....

Attempted Ballot-Stuffing.

A prominent Grit "heeler" accompanied stout man to one of the registration rooms in the city to-day, and after seeing the man enter waited at a convenient spot. When the man returned he came forward. avenue one, and cleared about \$165 on it.
The contract price was \$797.80, and the construction cost \$629.

#### ONE ENIOYS

Both the method and results when Syrup of Figs is taken; it is pleasant and refreshing to the taste, and acts gently vet promptly on the Kidneys, Liver and Bowels, cleanses the system effectually, dispels colds, head aches and fevers and cures habitual the cost of the works to the respective contractors was in the aggregate \$12,198 81. This leaves a balance on the side of the contractors of \$1,306.75, and out of this they had to pay themselves for their own time, so that it must be quite apparent that there is no bonance in contracting in this city. It is quite probable that extras which were not included in the returns made to the contraction. Syrup of Figs is the only remedy of its kind ever produced, pleasing to the taste and acceptable to the stomach, prompt in its action and truly beneficial in its City Engineer's department will reduce the net profit on these works to about \$1,000. healthy and agreeable substances, its many excellent qualities commendit to all and have made it the most
