any expenditure of the people's money rough weather on the 26th of September, until we ascertain if we are under the the next moment knocking him off by

thumb of an autocrat or not." The motion rassed without his vote, the forward running gear.

For this reason he moved an adjournally did, falling, not into the sea how-ment until Tuesday (this) evening, in ever, but in part of the loose jib, which order that the council might learn by held him until the other officers, runwhat authority the Mayor had seen fit to negative the expressed wish of the council. If His Worship was correct in this had the brutal officer summoned to ap-

ALD. PARTRIDGE seconded the resolu-tion to adjourn—not that he wished to shirk the business of the week, but be- the summons, and the officers have not cause he sought an assurance that the yet been able to execute the warrant for wishes of the council would be respected. attempted murder which next issued. ALD. MACMILLAN preferred to return to the people rather than bow down to Tug Astoria came into port yesterday unjustifiable rulings as come from after towing to an anchorage in the Mayor Beaven. If the Mayor assumed Royal Roads the Swedish ship Lady the right to direct all the business of the Lima. The Lima came from Coquimbo, city in such way as suited him best, it seeking.

was better that the aldermen should be made aware of the fact—and go home.

Ald: Wilson objected to the resolution as not the proper method of reaching the object sought, while unnecessarily delaying the regular business of the

ALD. HUMPHREY supported the motion as emphasizing the position of the board. ALD. CAMERON shared Ald. Wilson's view of the matter, as also did Ald.

The resolution was lost on a division, and Ald. Macmillan and Humphrey thereupon left the council chamber. Business then proceeded without interruption. Several small appropria-

tions from the finance committee were

et.

Andrews streets; from S. Leiser, complaining of the flooding of his business are, it appears, in need of frequent pay- premises; and from Dr. Verrinder and

Ald. Marchant he made inquiries of the were received, from Swinerton & Oddy water commissioner and the city treas- at the same price as the present conthe motion to adopt a report from the tender requiring the deposit of a check.

Ald. Williams moved, seconded by HIS WORSHIP replied that the work- Ald. Wilson, that the council respectthat there would be anything to prevent with the recommendation that every sioners for the arrangements made for their receiving their pay this week on possible effort be made to carry the same Friday at the works.

ALD. MARCHANT did not think this explanation satisfactory by any means.

The council had decided upon a certain course in regard to the payment of these men, and it was not by the favor of the Mayor, by any means, that they should be so paid. His Worship plainly missing specific and the first be made to carry the same into effect. The mover remarked that the desirability of having Victoria harbor improved would be recognized without debate, and that the carrying out of harbor improvements upon the plan suggested by Mr. Sorby would unquestionably be of great benefit to the city, increasing its shipping presting and their convenience. The counsel for the two countries are as follows:

For Her Majesty: Hon. F. Peters, Q.C., premier and attorney-general of Prince Edward Island, senior counsel; Mr. T. L. Berque, Q.C., Montreal, associate counsel; Mr. E. V. Bodwell, Victoria hards for the counsel for the two countries are as follows:

For Her Majesty: Hon. F. Peters, Q.C., premier and attorney-general of Prince Edward Island, senior counsel; Mr. T. L. Berque, Q.C., Montreal, associate counsel; Mr. E. V. Bodwell, Victoria hards for the counsel for the two countries are as follows: be so paid. His Worship plainly mis-increasing its shipping prestige and understood the functions of his office, and had again exceeded the annual expenditure of \$198,000 was of powers vested in him. The failure to course a large item to be considered, but instruct the proper officers to carry out as Mr. Sorby explained, there would the expressed wishes of the council in doubtless be a greatly increased revenue this regard constituted in his mind a in harbor dues, etc., if the improvements gross dereliction of duty on the part of proposed were carried out. In bringing the Mayor, and no language of his (Ald. this motion forward he simply wished Marchant's) could properly express the to put the matter in the proper channel indignation he felt at the insult offered for the advancement of Victoria's har-

been guilty of an act in the direction of The only other business of the evening the destruction of the legislative func- and one of the first items discussedtions of the council; if His Worship was came in the form of a communication right in his position the council might as from the Province bespeaking for that well retire and allow him to assume the paper a share of the city advertising patronage. Ald. Marchant moved the "I don't know that anything has reference of the matter to the printing happened that should so yex you," His committee, and Ald. Williams explained Worship replied, "the men received that the committee, if the two other their money last week and will this." members had not changed their minds, (To Ald. Macmillan, who had interjected a question)—"That resolution was two daily papers was quite sufficient.

ALD. HUMPHREY remarked that there were a few by-laws last year that it did the Mayor had certainly exceeded the not matter if no one saw. These were rights of his office and had pursued a given to the Province, and this might

The departure of Ald. Marchant and

ATTEMPTED MURDER.

And surely the decision of the nine charge of attempted murder in connection with which is woven a story of "All this is out of order you must fiendish cruelty, malignity and cold, deknow," interposed His Worship. "I liberate intention to destroy a human am allowing you every latitude, but you life that has fortunately few parallels if must realize it is quite out of order." any in the marine records of this part of ALD. HUMPHREY held that it was the the world. At last information Kelly Mayor who had been out of order in op-posing the expressed wish of the council so serious is the charge and so direct the n a matter to which no reasonable ob- evidence against him that instructions jection could be raised. It was a hard-ship that the men should have been the Sound cities to run him down if obliged to come in from the lake last possible; and if apprehended under the Saturday; they had done so, he learned, at great inconvenience, as their families to British soil by extradition proceedin town were actually suffering from the ings to answer for his misdeeds on shipwant of household necessaries. He asked board. In the meantime the master of for an authority from His Worship in the Speke has declared him a deserter, support of his "extraordinary action." and has shipped another second officer. Sole Export Bottling Agents to J. J. & S .-C. DAY & CO., DONDON

On the steamer Tees, which arrived from the West Coast Saturday were five or six cedar logs—all that were saved from a big boom which was to have been Almost to the exclusion of all others. Try it. Prepared only by C. I. Hood & Co., Lowell, Mass. are the only pills to take With Hood's Sarsaparilla. If rom a big boom which was to have been shipped by Mr. J. J. Bird to Victoria, and which was wrecked at Port San Juan some two weeks ago. The boom was worth fully \$1,000.
