### SAFE DEPOSIT DEPARTMENT.

The Vaults are in a building specially constructed, most substantial and secure, fire and burglar proof, and unequalled in Ontario, costing over \$30,000. Safes and Compariments, varying from the small box for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewelry and other valuables are also stored in the company's vaults.

# TRUST AND AGENCY DEPARTMENT.

Under the approval of the Ontarie Government the Company is accepted by the High Court of Justice as a Trusts Company, and from its organization has been employed by the Court for the investment of Court Funds. As a remedy for Whooping Cough, with which many of our children were atflicted, we used, during the past win-ter; with much satisfaction, Ayer's Cherry Pectoral. For this affection, we consider this preparation the most effl-cacious of all the medicines which have come to our knowledge. — Mary Park-hurst, Preceptress, Home for Little Wanderers, Doncaster, Md. My children have been peculiarly sub-fect to attacks of Croup, and I failed to find any effective remedy until I com-menced administering Ayer's Cherry Pectoral. This preparation relieves the difficulty of breathing and invariably cures the complaint. — David G. Starks, Chatham, Columbia Co., N. Y. I find no medicine so effective, for Croup and Whooping Cough, as Ayer's Cherry Pectoral. It was the means of saving the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough I ever saw. — Jane Malone, Piney Flats, Tenn.
