Rev. Dr. Beattie Says It Will Be Great Help

ADDRESSES THE STUDENTS Interesting Service At First Presbyterian Church

Rev. William Beattie, D.D., pastor of the First Presbyterian Church, speaking last night before a congregation that taxed the seating capacity of the edifice at a service devoted to the students of the University of Western Ontario, advocated the passing to-day of the university by-law.

The by-law means that the annual grant will be made permanent," said Dr. Beattle. "Let us get that clear. is difficult for the officials of a WILLARD great and growing institution to make plans beforehand on the basis of incurity, and while the grant is made annually, there will remain a certain amount of doubt. Let us, who take pride in our universtly, make the grant Mother of Mine.'
The Great War Veterans' Band num- Toronto Layman Speaks On be assured and so that education may permanent in order that its growth may be made cheaper for all. The pro-

t. Do we tell the same people about the | The mental attitude of the student religion of God? We are not sincere in as he progresses from one year to anour thoughts. By linking up with God other was outlined by Dr. Beattie, who is the only way that this can be over- asserted that first-year students burst come. 'Truly we have received, truly with the superiority of knowledge. In the second year students are sure they the second year students are sure they know everything, he said, while in the third they are not quite so sure and at graduation they feel they "know not anything."

This brings about a good result, Dr Beattie thought. It creates a feeling on, retired sergeant of detectives, died of humility and the process is often seen in the student's thinking about was born in this city and resided here shock of science and in the second The first year there is the year he finds probably the significance of cause and effect which elminates his daughters, Miss Maud, at home, and in religion. In the third year the stubelief in miracles and the supermatural Mrs. T. W. Thomas, of this city, and dent, Dr. Beattie declared, is not quite so sure that the supernatural does not exist and at graduation he finds that science cannot find God for him, but that it can and does postulate God. "Science may not find God's name. It may call Him the Great Uncaused Cause, but when science admits that

much, it admits too much to leave man in atheism and it is carried back to the divine revelation where it reads: 'And in the beginning God made the earth.' the speaker contended. "In my text there is a suggestion that every student of life and letters, every student Church provided a treat for the patients of philosophy and religion would do and staff of Westminster Hospital on well to contemplate, that of ever Friday night when they presented a learning, but never able to come to a musical comedy, "Silvia." The entertainment was thoroughly enjoyed by all Sciences are always progressing, Dr. who heard it and the members of the Beattie went on to show. Even the choir were warmly congratulated on science of theology has changed during their creditable work. The production the ages and different interpretations is to be given in the parish hall of St. have been placed upon the death of James' Church on Thursday and Friday Christ, known to science as the doctrine of the atonement.
