EYE AILMENTS

Seventy-five per cent. of the people have abnormal vision, and only about 25 per cent. wear glasses to correct the defects.

The other 50 per cent. suffer from various eye troubles. These have a reflex action on the bodily function, causing headaches, indigestion, dizziness and many other ailments.

Every person should make it a point to find out whether his or her eyes are normal or not. We can do this for you—do it accurately and scientifically by the dark room test.

Oct. 22.—In spite of heavy receipts at the local cattle markets to-day business was very active and prices on light butcher cattle were about 10c higher. All kinds of butcher cattle were much firmer than at the draggy close last week, but the improvement was most marked in the handy weight butchers. Milkers were again in good demand and about \$5 higher for choice. About four or five loads of heavy steers were bought for London, fetching \$8 to \$8.25. Hogs were slightly higher at \$8.75, fed and watered, but sheep and lambs were just steady. Stockers and feeders were a better sale and somewhat dearer because

several loads were taken up by butchers. Combined receipts totalled 166 loads, 3,003 cattle, 3,731 sheep and lambs, 710 hogs and 225 calves.

TAKEN HOME ON A MATTRESS

How a Sufferer From Sciatica Found Permanent Relief.

Pierce darting pains, pains like red hot needles being driven through the flesh in the thigh, perhaps down the legs to the ankles—that's sciatica. None but the victim can realize the torture of this trouble, and many suffer from it hopelessly in the belief that it cannot be cured. This is a mistake; sciatica is a nerve trouble, and if the starved nerves are properly nourished with rich, red blood the trouble will soon disappear. Dr. Williams' Pink Pills for Pale People, pure, blood needed to feed the sciatica nerve and drive out the racking pain. It has been proved over and over again that they can do this and we offer now the following additional piece of evidence.

Mr. E. H. Pastorius, Harrow, Ont., says: "Some year ago I was terribly afflicted with sciatica, starting just in my hip and then extending through the leg to the foot. At the time I was attacked I was away from home and had to be brought home on a mattress in a spring wagon, and the agony of the trip was almost more than I could endure. Reaching home I was not able to sit up and remained in bed for six weeks. The doctor did not help me and I tried a number of medicines recommended by neighbors. I paid \$5.00 a bottle for one preparation, but it was no better than the rest, and I began to think there was no cure for me. While suffering this untold misery Dr. Williams' Pink Pills were recommended, and my wife got me a supply. In the course of a few weeks I began to feel better and could get around with the aid of a cane. I kept on taking the Pills until all the pain disappeared and I felt as well as ever I did. I have never had an attack of the trouble since, and although I am now 65 years of age I feel as vigorous as I did at forty, all of which I ascribe to Dr. Williams' Pink Pills."

If you are suffering from sciatica or any nerve or blood trouble, begin to cure yourself to-day by the use of Dr. Williams' Pink Pills, which will assuredly do for you what they have done for others, if you give them a fair trial. Sold by all medicine dealers or by mail postpaid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BASKETBALL.

MacLachlan vs. Lucas.

One of the fastest basketball games ever played in Watford was witnessed by a large number of spectators on the Watford High School Field Day. Miss Smith acted as referee and managed the game nicely. The teams were well matched but MacLachlan's side seemed to possess a more tricky spirit, and after a hard fought battle they won the game. Roche is a good player and despite the skillful checking did some fine work. MacLachlan, captain of the Purples, played
