Farming

CHOICE OF THE YEOMANRY OF CANADA

THE new year has made manifest the strong position of FARMING as the only farm weekly in Canada. The number of subscriptions received last week was the largest in the history of the seventeen years of this old established journal. In 1900, more than ever, the paper will be made practically valuable to the farmer, and of increased interest to every member of the farm-household. The premiums that we have been offering will hold good throughout this month—and they are a kind that are being appreciated by readers.

DOLLAR BOOK FREE

"The Life of Christ for the Young," by Geo. L. Weed, is a book of about 400 pages, with 75 full-page half-tone illustrations that add very much to its attractiveness. We think ourselves it is one of the most complete books of the kind that has been published in many years. The author is peculiarly well fitted to write such a book, possessing a grace of style that makes it interesting to all children. He writes from knowledge of the Holy Land, having personally visited there and gathered data and observed for himself. The illustrations are so numerous that they bring out the most important features of the text in a manner not often done in books of this character.

It is bound in handsome cloth, with embossed front cover. Publishers' price \$1.00.

—This book will be mailed post-paid to any present subscriber—sending one new yearly subscription.

Present subscribers to FARMING (not in arrears) may receive a copy post-paid on receipt of 50c., half publisher's price.

GENTLEMAN'S WATCH FREE

in solid silver case, open face, stem wind, fitted with Waltham movement, which is a guarantee that the watch is a good time-keeper, and will give satisfactory wear.

—This watch will be given free to any subscriber sending us—fifteen new yearly subscriptions to FARMING, sent post-paid at our expense. Regular price of the watch is \$8.50.

Any subscriber to FARMING (not in arrears) can have this watch on payment of \$5.75, sent postpaid to his address.

ANOTHER WATCH FREE

Nickel finished case, open face, stem wind and set. We do not say this is a full nickel watch, but it will hold its color for a year or more, whilst we can thoroughly recommend it as an accurate time-keeper. It is the watch in use among a large number of the conductors of the Toronto Street Railway, where an accurate time-keeper is a necessity.

—This watch sent postpaid to any subscriber sending four—new yearly subscriptions to FARMING.

It will be sent to any present subscriber (not in arrears) on receipt of \$1.50.

COOK BOOK FREE

Only three new subscriptions are needed to secure a copy of the Ideal Cook Book, a most valuable book for every housekeeper. The section entitled the "Doctor" is itself worth the price of the book. Size of page 5 in. x 8 in. Bound in handsome oilcloth cover. The Ideal Cook Book cannot be had in the book stores. Published price \$1.00. Copy of the Ideal Cook Book will be sent to present subscribers (not in arrears) on receipt of 50c.

There is hardly a subscriber of FARMING who may not possess himself of one or more of these premiums without any outlay of money—just a little work during these leisure hours on the farm.
