

To The Young Men of Canada —→

The Science of Road Making by Machinery offers unlimited scope for useful and profitable study and sure returns for its intelligent application.

Our new Road Machine Catalogue fully explains the latest and most efficient machines for the making and improving of ROADS under any and all conditions, including

**Crushers, Elevators, Screens and Mounted
Bins for Same, Stone Spreading Wagons,
Dump Carts, Graders, Rollers, Plows,
Scrapers, Moulds for Concrete Tile, Etc.**

**Moulds for Making
Concrete Drain Tile**

It is a Good Thing to Know

That Scientific Drainage is the first and most important step towards securing permanent roads and with this end in view we have perfected our

New Combination Moulds

which rapidly produce CONCRETE TILE with either PLAIN or TELESCOPIC JOINT at the will of the operator, from 4 to 36 inches in diameter.
