Happy is the man who is blessed with
good sight. To be pitted is he who is sight-
less. How fortunate the one wearing Laur-
ance's Glasses, which impart a clear and
perfect vision. But it may be there are
some to whom a Spectacle would be of no
benefit, being deficient in an optic. Their
personal appearance would seem more nat-
ural with the aid of an Artificial Eye, an
assortment of which has just been received
