

Poetry.

[From Household Words.]

SPRING LIGHTS AND SHADOWS.

The breeze and showers of coming spring
Will waken many sighs and tears,
The early blossoms cannot bring
The old delights of peaceful years,
The primrose color of her sky,
The aroma of budding bowers,
Will but recall the joys gone by
While grief is sitting mid the flowers

Beside the rusted cannon-bell
On daisied slopes the lambs will sleep,
Beneath the shelled and battered wall
The deep blue violet upward peep,
In Inkermann sweet buds will blow;
In Balaclava's blood-stained clay,
Where England's sons rode down the foe,
Children amid the wild flowers play.

Spring flowers again will deck the soil,
Which heavy-wheeled artillery crushed;
Bloom where the fiery war-horse trod,
And wave where marching columns rushed;
On mountain height, in deep ravine,
Will be in all their beauty found,
As if the silence of the sea
Had no'or rung back war's trumpet sound.

Along highways where warriors went,
Last blue-bell time, with fife and drum,
Spring flowers will throw their sweetest scent,
And belted bees amid them hum,
Where muskets sang the funeral hymn,
They'll show no traces of the dead,
Unless the daisy's silver rim
Be dappled with a deeper red.

Spring's gathered blossoms soon will throw
Their light shapes on the rustic floor,
Bees through the open casement go—
While in the sunshine at the door
The childless sire will sit for hours,
A statue in his deep distress;
Where his lovely boy once gathered flowers
There will not be a bud the less.

Through the dim golden mists of dawn
And the blue twilight's davy fall,
Loved eyes will look across the lawn—
From the bay window of the hall—
For him whose shadow never more,
Along the pathway quaint and trim,
Will send his likeness on before,
To call them out to welcome him.

Not morning red, nor evening gr.
That presenced dear shall ever . . .
Nor stormy night, nor sunny day,
Nor all the bright hopes of the spring,
Many lost shadows lengthen'd out
Into a gloom profound and grand,
Soon the far East will close about,
A shadow upon all the land.

A MARVELLOUS REMEDY

FOR A MARVELLOUS AGE!!

HOLLOWAY'S OINTMENT.

THE GRAND EXTERNAL REMEDY.

BY the aid of a microscope, we see millions of little
openings on the surface of our bodies. Through
these this ointment, when rubbed on the skin, is carried
to any organ or inward part. Diseases of the Kidneys,
disorders of the Liver, affections of the Heart, Inflamma-
tion of the Lungs, Asthma, Coughs and Colds, are by
its means effectually cured. Every housewife knows that
salt passes freely through bone or meat of any thickness.
This healing Ointment far more readily penetrates
through any bone or any fleshy part of the living body,
curing the most dangerous inward complaints, that can-
not be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBU-
TIC HUMOURS.

No remedy has ever done so much for the cure of dis-
eases of the Skin, whatever form they may assume, as
this Ointment. Scabby, Scrofula, Scrofula, or Erysip-
elas, cannot long withstand its influence. The inventor
has travelled over many parts of the globe, visiting the
principal hospitals, dispensing this Ointment, giving ad-
vice as to its application, and has thus been the means of
restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS &
ULCERS.

Some of the most scientific surgeons now rely solely on
the use of this wonderful Ointment, when having to cope
with the worst cases of sores, wounds, ulcers, glandular
swellings, and tumours. Professor Holloway has des-
patched to the East, large shipments of this Ointment, to
be used in the worst cases of wounds. It will cure any
ulcer, glandular swelling, stiffness or contraction of the
joints, even of 20 years' standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be
effectually cured if the Ointment be well rubbed in over
the parts affected, and by otherwise following the printed
directions around each pot.

Both the Ointment and Pills should be used in the following
cases:—

Bad Legs	Chilblains	Fistulas	Sore-throats
Bad Breasts	Chapped hands	Gout	Skin-diseases
Burns	Corns (Soft)	Glandular Swellings	Scurvy
Bunions	Cancers	Lumbago	Sore-heads
Bite of Mos- chetoes and Sand-Flies	Contracted and Stiff Joints	Rheumatism	Tumours
Coco-hay	Elephantiasis	Sore Nipples	Ulcers
Chillego-foot			Wounds
			Yaws

Holloway's Pills are the best remedy known in the works
for the following Disorders:

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fever of all kinds	Sore Throats
Bilious Complaints	Head-ache	Stomach and Gravel
Blisters on the Face	Indigestion	Secondary Symp- toms
