GENTLEMEN—Last winter I unearthed a small vial of your Aloin Granules that by chance had been stowed away for *twelve years*. Having always used your Aloin Granules in my practice I of course used these, and, as far as I could determine, *they were as efficient as the day they were made*. I tried them on myself several times, with results as good as could be wished for. I have kept a few as a curiosity. They are O.K.

Yours truly, J. H. ADAIR.
