

# CONSUMPTION

One-Seventh of the World's Death Rate is Caused  
by a Disease that Can be Cured

## MODERN ANTISEPTIC METHODS

An Eminent Physician Tells How Consumption, the Curse of the World, Can Now Positively Be Cured, and Offers His Treatment Free to All.

### We have a Message

### For All Sufferers.

One that is true—as true as that the sun shines—as that the rain falls to water the earth.

All his life Dr. Slocum has given to scientific pursuits; and this discovery which he has made comes as the result of years of incessant work and toil.

Thus it is we are now able to say to you that consumption can be cured.

The cry of the afflicted has not been sent up in vain.

There is hope for the hollow-chested, pale, weary consumptive.

This hope we hold up to you.

Dr. Slocum's researches have brought him face to face with the scientific fact of incalculable value to future generations—a fact that will if properly understood and acted upon, render consumption, before long, as rare amongst the civilized countries as the Black Plague.

Dr. Slocum's discovery embraces a complete system for the treatment of this dreadful disease, at present so little understood as to be called "incurable."

The system consists of three remedies which act simultaneously and supplement

each other's curative action.

The system, we call upon all to make a test of. We will send you on request, a free, full course treatment, consisting of three preparations (all different).

This will enable you to see for yourself that consumption is curable.

It will prove that mankind can now grapple with the demon which has dragged so many millions to their graves.

The hand-maidens of consumption—weak lungs, pneumonia, bronchitis and similar diseases of the throat and lungs and also diseases of weakness, loss of flesh and so forth, which so often degenerate into consumption itself—are also positively cured by the Slocum system of treatment.

Simply write to THE T. A. SLOCUM CHEMICAL CO., Limited, 17, King St. West, Toronto, giving post office and express office address, and the free medicine (The Slocum Cure) will be promptly sent.

Sufferers should take instant advantage of this generous proposition, and when writing for them, always mention this paper.

Persons in Canada seeing Slocum's free offer in American papers, will please send for samples to the Toronto label bottles.
