And walk upright in life.

Expands the Chest, promotes Respiration, prevents Round Shoulders. A perfect Skirt-Supporter for Ladies. No harness—simple—unlike all others. All sizes for Men, Women, Boys and Girls.

**Cheapest and Only Reliable Shoulder-Brace.**

The importance of a Shoulder-Brace in holding the body erect, expanding the Chest, preventing Round Shoulders and Hollow Chest, is well understood. Good health depends upon it. Many attempts have been made to present a suitable article for this purpose, all of which, however, were objectionable in some respects, which prevented their coming into general use. In the Knickerbocker Shoulder-Brace all objections have been overcome. It is a Combined Shoulder-Brace and Suspender. It provides new and improved suspenders for men's pants, and supporters for ladies' undershirts, which do the double duty of holding up and bracing up.

Sold by Druggists. Send chest-measure around the body. Address,

## Radam's Microbe Killer

"The Public wants it, and wants it bad," else they would not buy from the Head Office could they obtain it at home.

The Express Companies can prove the great demand for it from private individuals.

Business has enlarged so rapidly that we want every Drug gist not yet handling M. K., to write us at once for full particulars as to what we will do for him.

Should Cholera come, it would be the only safe remedy to use. It is well to know this.

We intend to concentrate the sale wholly into the hands of "The Trade," if they will meet us half way.

Write us or call.
