A BRILLIANT WORK.

Cape Breton Illustrated

Historic, Picturesque and Descriptive. By JOHN M. GOW.

With 30 Full-Page Photo-Engravings.

Cloth, 423 pages 7x9 inches, - \$3.00 Morocco, gilt edges, 8x10 inches, \$5.00

The following words taken from the Preface set forth in the fewest possible words the scope of this strong, brilliant interesting work.

"In this volume it is attempted to account for the American Puritan and for his progenitor, the English Puritan; to discuss the spirit and the genius of the men before whom the weak tyranny of kings hopelessly fell. The ancient town and fortress of Louisburg is described, and the story of both sides is told in detail. There is a short account of the Colonial Struggle between France and England, and of its immediate and remote results. The erection of the United States into a Separate Nationality, and the Formation of the Nucleus of the Dominion of Canada. There is also inserted a short History of Cape Breton, with a description of its prospective commercial advantages, and a presentation of its attractions as a summer resort." The popular, racy style of the author makes the book one of the pleasantest sort of reading. It is a work every intelligent, patriotic Canadian should be proud to possess.
