FISHER & TAYLOR

Be to notify their friends in Toronto that they have procured the advertising space in GRIP; and from their long experience with the Daily Press of this City, they hope by strict attention to make the paper one of the best advertising mediums in the City.

The circulation of the paper is rapidly increasing.

From the class of advertisements they intend inserting, Merchants and Business Men in general cannot fail to see the necessity of advertising in it.

All advertisements should be handed in not later than Thursday evening, to ensure insertion in that week's paper.

TERMS:

Transient advertisements, 5c. per line
Nonpareil, each insertion.
Liberal discount will be made with
parties making contracts.
