GRIP VANISHES

So Do Deadly Colds

Headaches, backaches, dyspepsia, indigestion, constipation, kidney, liver and all kindred troubles, if nature's miraculous, disease-conquering, life-restoring St. Leon be used. All known mixtures in the world pale in insignificance to this creation's mystery. Safe as milk, and contains the most powerful poison absorbents known to science to purify blood and flesh; and also every element to build up frail, weakly, despairing sufferers to the highest pinnacle of perfect strength and joy.

HON. GEO. W. ROSS.

HON. GEO. W. ROSS is a creditable specimen of a choice race—the Highland Scotch. He can talk the Gaelic with all the fluency that language is capable of, but out of regard for the feelings of his fellow men, he doesn't often do it. Mr. Ross is a self-made man, and has reason to be proud of the job. He began life as a school-master, graduated into politics, and ultimately became Minister of Education in the Mowat Government. While performing the duties of this post, he took a law course on a side dish, and also found time to become an amateur photography crank. He is one of our ablest public men, and is doing excellent service for the country.
