DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resert to students. The spacious building of the Bank-now adapted to educational purposes—the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the physical, moral and intellectual .development of th students committed to their care

The system of government is mild and paternal yet firm in enforcing the observance of established discipline.

No student will be retained whose manners and merals are not satisfactory: students of all denominations are admitted.

A MOST REMARKABLE CURE.

A MOST REMARKABLE CURE.

PRILADELPHIA, June 28th, 1867.

SETH HANCE, Baltimore, Md.—Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was aumoned, but he could give me no rollef. I then consulted another physician, but I scemed to grow worse. I then tried the treatment of another, but without any good effect. I sgain returned to my family physician; was cupped and hied several different times. I was generally attacked without any premonitory syraptoms. I had from two to five fits a day, at intervals of two works. If was often attacked in my sleep, and would fall whorever I would be, or whatever be occupied with, and was severely injured several times from the falls, I was affected so much that I lost all confidence in myself. I also was affected in my business, and I consider that your Epileptic Pills cured me. In February, 1865. I commenced to use your Pills, and only that two attacks affectivaries. The last one was April 5th, 1865, and they were a less serious charactor. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made knowly everywhere, that persons who are similarly affected may have the benefit of telem. Any terson wishing further information can obtain it by calling at my residence, No. 80 North Third St., Philadelphia, Pa.

IS THERE A CURE FOR EPILEPSY:

The subjoined will answer.

GRENADA, Miss., June 32.—SETH S. HANCE.—Dear Sir:
Tou will find enclosed five dollars, which I send you for
two boxes of your Epileptic Pills. I was the first person
who tried your Pills in this part of the country. My son
was badly afficted with fits for two years. I wrote for
and received two boxes of your Pills, which he took according to directions. He has never lade aft since. It
was by my persuasion that Mr. Lyon tried your Pills.
His case was a very bad one; he had fits nearly all his
life. Persons have written to me from Alabama and
Tennessee on the subject, for the purpose of ascertaining my opinion in regard to your Pills. I have always
recommended them, and in no instance where I have
had a chance of hearing from their effect have they
failed to care. Yours, etc.

Grenada, Yalabushe County, Miss. The subjoined will answer.

ANOTHER REMARKABLE AS CURE OF EPILEPSY; OR, FALLING FITS, BY HANCE'S EPILEPTIC FILLS.

BY HANCE'S EPILEPTIC PILLS.

MONTHOMERY, Texas, June 20th, 1867.

To Sith S. Hance:—A person it may employ had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks, said oftendimes several in quick succession, sometimes continuing for two or three days. On several occasions they lasted until his mind appeared totally deranged, in which state he would continue for a day or two after the fits censed. I tried several remedies prescribed by our resident physicians, but without success. Having seen your advertisement Localeded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they offseted a permanent cure. The person is now a stout, healthy man, about 20 years of age, and has not had a fit since he commenced taking your medicine, ten years since. He was my principal vagouer, and has, since that time, been exposed to the severest of weather. I have great confidence in your remedy, and would like every one who has fits to give it a trial.

STILL ANOTHER CURE.

Read the following testimonial from a respectable citizen of Greunda, Mississippi.

SETH S. HANCE, Baltimore, Md. —Bear S.T. I take great pleasure in relating a case of Spasms, or Fits, cured by your hyalundale Pills. My brother, J. J. Ligon, has long been afflicted with this awful disease. He was first attacked while quite young. He would have one or two spasms at one attack at first, but as he grew elder they seemed to increase. Up to the time he commenced taking your Pills he had them very often and quite severe, prestrating him, body and mind. His mind had suffered seriously, but now, I am happy to say, he is cured of these fits. He has enjoyed flue health for the last five months. His mind has also returned to its original brightness. All this I take great pleasure in communicating as it may be the means of directing others to the remody that will cure them. Yours, respectfully, etc., W. P. Ligox.

Aver's Cathartic Pills.

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Bresth, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Drobsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood,

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely are mild, but efand without pain. Although gentle in their operation, they are still the most thorough and searching cathar-

tic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and

promote vigorous health.

Ayer's Pills have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
