DEAR SIRS, - For years I have suffered severely from liver complaint, constant pain in the side, no appetite, intense drowsiness and a sense of suffocation compiling me at times to remain in hed for three or four days. For two years I was constantly taking medicine under the advice of two of our best city physicians, without getting any relief. By their orders I spent the whole of last summer in the country, but without relief; last March I was advised by a friend who knew its virtues to try Bristol's Sarsaparilla but I had lost confidence in every thing and was fearful of getting worse, at last I did try it, its effect was most heneficial, my appetite returned, the heavy drowsiness left me and my digestion became vigorous and healthy. I used in all 12 bottles and am now as strong and well as any man could desire. You are at liberty to make my case known to the

J. C. Ayer, M. D. Dear Sir A have a long time been afflicted with an excusion which covered my whole body, and suffered dreadfully with it. One single bottle completely cared me, and I am now as free from the compleint as any man in the world.
