Financing Good Roads

While nearly everyone agrees as to the necessity of good roads in Canada, no comprehensive and satisfactory scheme has been settled for financing their construction and more particularly their maintenance. **Page 9**

Life Insurance and the Public

A convention in Toronto last week of several hundred life insurance field men discussed many matters of great importance to life insurance companies and their policyholders, too. Full report of proceedings. **Page 18**

New Crop Records

The Canadian wheat crop this year will be in acreage, in average yield per acre, and in total yield the highest on record, according to the official government estimate of the harvest now being reaped in the Dominion. **Page 43**

Municipal Bond Market

Some objections to serial plan of bond issue, Page 10. Toronto authorities visit New York to sell bonds. Other cities also require buyers. *The Monetary Times'* weekly register of municipal activities and financing. **Page 12**

Repayment of Municipal Loans

Being an analysis of the merits of the three recognized methods of paying moneys borrowed by municipalities for a long term of years, namely, the sinking fund, annuity instalment and the serial instalment. **Page 5**

Canada's Finance and Debt

The gross debt of the Dominion at the end of March was \$700,475,000, the net debt being \$449,376,000, an increase of \$114,000,000 in twelve months. Some facts about Britain's war loans to Canada. **Page 43**

Seed Grain Loans

The Dominion government will ask farmers for repayment this year of only one-half of seed grain and fodder advances, with interest; other concessions are made, too. What the mortgage companies think. **Page 14**

A Billion Dollar Loan

The Anglo-French commission has arrived in New York to endeavor to adjust the exchange situation. A billion-dollar loan may be floated. Canada's minister of finance, Hon. W. T. White, meets the commissioners. **Page 8**
